## CCA Board Follows Up With Letter To City About the Port Of Rochester

On July 1<sup>st</sup>, the Charlotte Community Association Board (Board) issued a letter to the Mayor of Rochester and members of the City Council expressing neighborhood concerns about the Port of Rochester mixed-use development project. The letter was a follow-up response to the April 7, 2015, communication sent to the same group. The Board stated that it believes that most members of the Charlotte Community, both residents and non-residents, want some form of development at the Port of Rochester. It acknowledged that there are differing opinions across the community and remained concerned that there continues to be many unanswered questions, causing further frustration. The letter went on to describe a list of objections from those who challenge the current plan.

The Board identified that there is not community consensus relevant to the project, "nor do we have a viable means to quantify what a community consensus would be" and highlighted that the one overarching common-ground concern is the height of the buildings. The current proposal from Edgewater for Parcel 1 North East shows additional, not fewer, floors on the hotel/condo building. "Thus, we remain unsatisfied with the City's and Edgewater's response to our concerns."

In summary, the Board stated:

"Here is what we believe our community needs and deserves to have from the City of Rochester:

- ◆ Assurance that development at the port will continue in some form.
- ◆ Acknowledgement of citizens' ongoing concerns and addressing them openly, timely and respectfully, and to the satisfaction of the community.
- ◆ Assistance to establish consensus of what the community at large wants for the Port.
- ◆ As an act of good faith, request Edgewater to immediately provide 3D design drawings of the building showing details of aesthetic features, materials and elements.
- ◆ Time to secure feedback from the community once those 3D design drawings are made available.
- ◆ Provide an overall aesthetic view of the entire project."

The Board closed out the letter with this request:

*"Dear Mayor and Council Members, please take our position into consideration when moving forward with development plans for the Port of Rochester. It is our goal to advocate for all voices to be heard and to be a significant part of the process that will ensure the best possible outcome for our community as a whole."*

## Meet Sue Roethel, CCA Board Secretary

Sue Roethel

**S**ue Roethel has served on the CCA Board since January. In that short time she has taken on the role of Secretary, Board Liaison to the Communications Committee and a member of the Not-for-Profit Status Committee. As secretary, Sue records the meeting minutes, documenting the history of what is happening within the CCA and enabling the Board to keep on track, and aligned with the CCA goals as they progress. Copies of the minutes for both the General Meeting and Board Meetings can be found on the CCA Website, <http://www.charlottecca.org/NewsLettersMeetingMinutes.asp>. As Board Liaison to the Communications Committee, Sue has been central to providing a vision to ensure a broad-based CCA Communications Strategy that includes print and electronic media to communicate with members.

In her day job, Sue is a Senior Staff Specialist at

RIT in the National Technical Institute for the Deaf. Her work supports research grants related to the education and employment of individuals who are deaf and hard of hearing. She has been at RIT for 17 years, with the last five at NTID.

Sue is a seven-year resident of Charlotte. When she's not doing CCA work, she loves to play with her four-year-old grandson or hike with her friends. She also plays in a golf league, and there are two motorcycles just sitting in her garage that she used to ride quite a bit but doesn't seem to get to these days. Her favorite Charlotte activity is to hike the woods from her house to the Riverway Trail with her kids and grandson.

Sue decided to join the board because "the board level is where organizational decisions are made and real change can take place. I wanted to influence that change and be a voice that was underrepresented." Her hope is that "members and residents come together in unity for a stronger Charlotte. We can, and should, be as highly respected as Corn Hill, South Wedge or Park Avenue. We also need to stabilize with a solid infrastructure for the organization to thrive for another 52+ years."

### Rita Willis Murray Carbone - Life Time Resident of Charlotte Turns 100 Years Young!

*Submitted by Donna Kohlmeier*

One of Charlotte's residents, Rita Carbone, celebrated her 100<sup>th</sup> birthday on July 27<sup>th</sup>! She was born in Rochester and lived on River Street for her entire 100 years! She graduated from Holy Cross Grammar School, and then Mercy High School in 1934.

Rita was married in Holy Cross Church on Lake Avenue in Charlotte – twice! Her first wedding was to Russell Murray. After he passed away, she then married John Carbone. She had eight children; four boys and four girls of which two of the boys have since passed away. She is also the proud grandmother/great grandmother of 18 grandchildren and 30 great grandchildren.

Rita comes from a family with a long history in Charlotte. During her toddler years, her grandfather, Alphonse Cason, was Constable of Charlotte and then later became the Deputy Sheriff under Al Skinner.

The Charlotte Community Association congratulates Rita on this very special celebration of her 100-year birthday, her life in and her contributions to the Charlotte community. **Happy Birthday, Rita!**

### Charlotte Community Gardens Bursting With Color

*Photographs by Fred Amato*

Volunteers with the Charlotte Beautification Committee (CBC) have been busy planting and weeding between raindrops this spring and summer. As a result, the many gardens in Charlotte are blooming like crazy including those at Ontario Beach Park, the median and planters along Lake and Beach Avenue and the Welcome signs throughout the neighborhood. **Linda Paruta** is the committee chairperson and has the daunting task of coordinating flower orders and drop-offs with donations from Monroe County, the City of Rochester and Charlotte Community Association. Despite all the challenges, Linda and the CBC members manage to make it all happen!

Thanks to the following CBC Volunteers for your

wonderful work: **Linda Paruta, Chairperson, Joe Ambro, Sue Bonkowski, Betty Bortell, Janie and Jim Brennan, Theresa Capuono, Ed Chapman, Sharon Connelly, Cheryl Enders, Helen Farrell, Sarah Gullivan and Sean Schiano, Jim and Mary Hart, Michelle and Brian Labigan, Audrey Lyons, Linda McCamion, Ellen Merzke, Doug Paruta, Pam Postgate, Trevor Purdy and Donna Bour-Purdy, Clare Stortini** and the newest volunteers, **The Residents from Beatrice Place!** Additionally, a special thank you to the Monroe County Parks staff who manage Ontario Beach Park; the newly retired **Brendan Knauf** and **Frank Borelli** who has just been promoted to replace Brendan. None of this would happen without these great people!

It's been said that a picture is worth a thousand words; therefore, we'll let these pictures speak for themselves, and tell the rest of the story!

## Navy Seabee Veterans Complete Restoration Project At Charlotte Cemetery

*Photographs and story contributed by Marie Poinan*

**O**n Thursday June 25, 2015, approximately 40 people celebrated the completion of the Charlotte Cemetery restoration project with an unveiling of a nautical flagpole and dedication of a memorial stone.

Restoration work by the Navy Seabee Veterans of America Island X-12 Seabees started in 2012 when the Seabees began a dedicated effort to reset, repair and replace missing and damaged headstones. It didn't take them too long to realize what a daunting task it would be! They received permission from the City of Rochester, advice from the Friends of Mount Hope and donations from Home Depot, the 108th NY Infantry Regiment and the Charlotte Community Association. The CCA held a fundraising cruise in 2013 onboard the HarborTown Belle which funded the memorial stone. For the past 90 years, members of Lake Methodist Church have tended the Holden plot in the cemetery.

Speakers for the event were **Chuck Stechna** for **Carla Palumbo**, **Ron Penders** from the City of Rochester Northwest Neighborhood Service Center, County Legislator **Tony Micciche**, **Brian Labigan** from the CCA and **Fred Amato** from the Charlotte-Genesee Lighthouse Historical Society.

Congratulations to everyone who worked on this significant project!

## Sally Belshaw-Knauf Honored By Charlotte High School Class of 1973

**O**n Saturday, July 11<sup>th</sup>, the Charlotte High School graduating class of 1973 honored their schoolmate, **Sally Belshaw-Knauf** with a ceremony and blessing of a memorial bench at Holy Cross. After hearing the news of Sally's recent death in January, **Patty Zambito**, a classmate who organizes many of the class events, raised funds for this memorial and also a substantial donation into Sally's grandson Jacob's education fund. There was also a donation to the Holy Cross Church choir, where Sally was a member.

**Father Wheeland** blessed the bench and the Holy Cross Choir, which included several Charlotte High Alumni, sang "Amazing Grace".

Sally was a lifetime Charlotte resident who attended #42 school and Charlotte High. She was a beloved second-grade special education teacher at School 41. She was always available to help a friend, of which she had many.

## Monroe County Update from Legislators

**Tony Micciche and Brian Marianetti**

**O**ur community has so many great activities for young people to enjoy; it can often be overwhelming deciding where to start. Fortunately, building an itinerary is now much easier after the kickoff of *Explore Monroe*, an initiative to connect families with the many local events and places that make Monroe County so exciting. Established by the Monroe County Youth Bureau, *Explore Monroe* uses partnerships with the Rochester Red Wings, the Rochester Museum and Science Center and the George Eastman House, among many others, to provide a one-stop-shop for information on local attractions for families and youth.

Anyone under the age of 21 can sign up for the program to become an "Explorer" and track their progress as they participate in many of the highlighted activities. In addition to an easily organized event schedule, participants can earn rewards for exploring and learning about the County and can even earn credit toward donated prizes! This year-round initiative is a great way to keep kids active and entertained by the many community resources we have available. Simply visit the interactive website, [www.ExploreMonroeNY.com](http://www.ExploreMonroeNY.com), to get started!

We are proud to represent the Charlotte community in the County Legislature. If you ever have any questions, please feel free to contact our office by phone at 753-1922, or by email; Brian at [monroe7@monroecounty.gov](mailto:monroe7@monroecounty.gov), or Tony at [monroe26@monroecounty.gov](mailto:monroe26@monroecounty.gov).

## Update from Joseph Morelle, NYS Assembly

**I**n June, the state legislature concluded the 2015 session after reaching agreements on a wide range of issues that are critical to citizens in our community and across the state. Though it was certainly a challenging session, I am proud of the work we accomplished.

I am especially pleased that the Assembly and the Senate have both passed my bill (A3057A) mandating that the sale of battery operated smoke detectors have batteries that are non-replaceable, non-removable and will power the device for a minimum of ten years.

I have dedicated this legislation to the memory of **Tyler Doohan**, a nine year old boy who died in a house fire here in Rochester last year after trying to help save members of his family. A working smoke detector could have saved Tyler's life and the lives of others lost in that tragic fire. In fact, the majority of fire-related deaths transpire in homes without working smoke alarms or no alarms at all. Working smoke alarms should be universal in every household. They are without question the most important item a family can have to protect themselves from a fire. This legislation will ensure that alarms are long-lasting and maintenance-free, making significant strides in preventing fire-related deaths and injuries.

I am hopeful that the Governor will sign this bill into law and continue to position New York as a national leader in fire safety and consumer protection.

### SAVE THE DATE!! The Rochester Marathon runs through Charlotte!! Sunday, September 20<sup>th</sup>

Charlotte and the Maplewood Community Associations are excited to participate in this year's Rochester Marathon on September 20<sup>th</sup>. Runners will start at Maplewood Drive, run through Maplewood to Lake Avenue, past Riverside Cemetery, turning onto the Genesee Riverway Trail, through Turning Point Park to Petten Street, Lake Avenue, then across the O'Rourke Bridge where runners can view the Port at Charlotte & Lake Ontario on the left and the Genesee River on the right.

The Rochester Marathon website, <http://www.rochestermarathon.com/default.asp>, explains all of the details about the course, the various races and other events of that day. The new course rationale was to "go where no race ever goes".

Stay tuned for more information on how you can volunteer and participate with the Charlotte Community in this exciting event!
