Meet the Candidates Night!

October 13th at 7:00 pm in the Roger Robach Community Center

On behalf of residents of the entire Northwest Quadrant of the City of Rochester, the Charlotte Community Association is hosting a **Meet the Candidates Night on October 13th at 7:00 PM.** The location is The Roger Robach Community Center, 180 Beach Avenue, Rochester, NY 14612.

The program will feature candidates for the races of **County Executive, County Legislature, Rochester City Council, Family Court Judge and District Attorney.**

The candidate portion of the program will begin promptly at 7:15 PM and the County Executive will be first on the agenda. Our goal for the evening is to educate the residents, give them a chance to meet candidates personally and also to ask questions pertinent to their specific concerns.

Each candidate will have a brief period for introductions and to address the issues they feel are most important. After all of the candidates have had an opportunity to speak, written questions from the residents will be presented by the moderator. All candidates within that race will have an opportunity to answer the questions.

This event is open to everyone, so bring your friends and neighbors!

Nominees for CCA Board Candidates Announced

Brian Labigan, Chairman of the CCA Nominating Committee, announced three candidates have self-nominated for the open board positions. Open for election this year are Vice-President, Treasurer and two Directors. An additional Director seat was vacated by Brian last month, and the term for that position is not up until the end of 2016. The board will appoint a candidate to fill that vacancy to complete the term.

The election will take place at the CCA General Meeting on November 2, 2015. More information about the elections and proxy voting will be coming soon. The candidates for Director are:

Patrick O'Neal

Pat has lived in the Charlotte neighborhood for over 8 years and, during that time, has rebuilt 4 Stutson Street houses on the river side of Lake Avenue. He is currently on the Board and serves as the Board Liaison for the Planning and Zoning Committee. His primary motivation to serve as a director is to help the CCA to facilitate the community to find its vision. He would also like to see the CCA continue to work ever more closely with POCMA and the CCDC to encourage rehabilitation of properties in the Harbor District.

Linda MacCammon

Linda has lived in Charlotte for more than 10 years. She would like to join the board and do all she can to put Charlotte on the radar of city and county officials. As a teacher at St. John Fisher College, she has tried to expose students to local issues. She's had students work on a service learning project for the Charlotte and Maplewood neighborhoods. She's also volunteered on the Charlotte Beautification Committee for the past 5 years. Her focus in the Charlotte neighborhood includes Port of Rochester development and quality of life issues in Charlotte such as the impact of zombie houses and absentee landlords.

Donna Bour-Purdy

Donna has lived in Charlotte for 11 years. She is currently an appointee on the Board, as well as Communications Chair, Newsletter Editor, and member of the Charlotte Beautification Committee. She is a firm believer in the CCA mission to build a stronger community, and that volunteerism and involvement is the key. There are many issues to be dealt with, but the Board cannot do it alone. Communication and community outreach are at the top of her agenda.

MVP Rochester Marathon Running Through Charlotte!!

Charlotte Community Association volunteers greeted the cool, sunny morning on September 20th with smiles and cheers for the 3,000 marathoners that took part in the MVP Rochester Marathon. It was a perfect day all around!

Volunteers are already talking about next year! Bands, drummers, costumes and ways to fill up the cups as fast as the runners come by!

Thank you all for a great day!

On behalf of the **Creative Beginnings Child Care Center – Lakeside**, we want to extend our deepest thanks to **Patrick O'Neill and Pam Postgate** for the wonderful assistance they gave us in the trimming and repair of the bushes and shrubs surrounding the exterior of the Lakeside Church building. The appearance of the building for the children, staff and our Stutson Street neighbors has been greatly improved.

A contribution has been made to the CCA Beautification Committee to recognize their service.

Clematis Street Water Problems

By Mary Love

For several years residents of Clematis St. have been concerned about the volume of water runoff from the Lake Shore Golf course during heavy rain storms. This and other issues have deteriorated the road surface of the street. Neighbors have been unsuccessful in resolving the problem when they contacted the owner of the golf course. In 2014 we contacted City of Rochester engineer **Willie Larson** to advise us on how to remedy the situation. Mr. Larson visited the street and reviewed the problem with two residents, **Barb Soto and Jean Gottschalk**. After an inspection by the Pure Waters agency he determined the road would not be repaired until the water problems were addressed.

During the summer of 2015 we were fortunate to engage **John McMahon** of the NET office to assist us in communicating our concerns with city agencies and the Town of Greece. We have photos taken following a strong storm in August, 2014 that highlight the problem and John shared these with several engineers in the Town of Greece. On September 3, three representatives from Greece and three from the City of Rochester came to Clematis St. to meet with me and noted the drainage patterns on the golf course. They all agreed this needs to be corrected by the course owner to remedy the storm water runoff problems. **John Gauthier** of the Town of Greece will contact the owner and let us know his response to our request.

Having representatives from the City of Rochester and Town of Greece advocate for the neighbors of Clematis St. has brought us closer to our goal of correcting the water problems and repairing the street surface. We will follow through this time and work together to ensure that our concerns are addressed.

Clematis Street flooded after a heavy rain.

Update from NYS Senator Joe Robach

As Veterans' Day approaches, I am proud that, once again, our community goes above and beyond to thank those who have put our nation first and sacrificed for our freedom. In addition to the annual **Battle of the Bulge Veterans Day Ceremony** in Charlotte, many other communities and groups will be hosting their own events to mark Veterans Day. Events such as these help to remind us that this nation remains the land of the free only as long as it continues to be the home of the brave.

I am pleased to once again partner with Time Warner Cable and the History Channel to host **Take A Vet to School Day**. This event brings veterans from World War II to present day into the classroom to share their firsthand experiences in the armed forces and combat, and gives the students a better understanding of the sacrifices our veterans make to protect our country and our freedoms. Not only do the students gain invaluable knowledge of sacrifice and valor, but each veteran has the opportunity to tell the students what serving our nation has meant to them and the valuable lessons they learned in sacrifice. Following the introductions, students are given the opportunity to ask the veterans about their personal experiences, what war was like or why they gave up years of their youth to defend our nation.

I look forward to continuing to support various educational programs, like Take a Vet to School Day, in hopes of enhancing the classroom experience for students throughout the community.

If you know a Veteran who would like to take part in this valuable event or for more information about this year's Take A Vet to School event, please visit my website at www.robach.nysenate.gov.

Update from NYS Assembly Majority Leader Joe Morelle

During the month of August, Majority Leader Morelle:

- ◆ Urged port authority to protect upstate airports and not lift the perimeter rule which would force Upstate travelers to contend with fewer available flight options at a significantly higher cost.
- ◆ Helped break ground on the University of Rochester's new Imaging Center and William and Mildred Levine Autism Clinic that will be vital in diagnosing and treating the growing number of children affected by autism spectrum disorder.
- ◆ Joined Assembly members Lupardo, Hevesi, and Crespo and convened a roundtable discussion with local leaders to examine the impact of poverty on children and their families.
- ◆ Welcomed **Speaker Heastie** to Rochester and toured Eastman Business Park, one of our region's top economic development sites, as well as Golisano Children's Hospital, the University of Rochester's newest addition to its innovative medical campus. Also met with local business, labor, and government leaders to discuss the priorities of the Finger Lakes region.

September was recognized as Hunger Action Month in New York State. Hunger is a widespread epidemic that plagues too many of our cities. Rochester currently experiences some of the worst poverty in the United States, with many impoverished neighborhoods lacking access to fresh fruits and vegetables and having few healthy, affordable food options. This leads to serious health issues such as obesity, diabetes, and heart disease. The goal of Hunger Action Month is to bring awareness and attention to this issue and encourage the involvement of our community to help solve this pressing issue. Foodlink and its network of hunger relief organizations have proven vital to the effort to curb hunger, providing over 18 million pounds of food to vulnerable children, seniors, and adults in its 10 county service area throughout the Finger Lakes region of New York. To find out how you can get involved, visit their website at http://foodlinkny.org/fight_hunger/get-involved/#tab-1.

**Monroe County Update from
Legislators Tony Micciche and
Brian Marianetti**

At the October meeting of the County Legislature, there will be a vote on an agreement that will build the largest solar panel installations in Upstate New York. This is just the latest in a long string of green energy projects the County has pursued, the new solar panel installations will be built and paid for entirely by Solar Liberty.

This agreement is important for two reasons: the first is that it saves Monroe County \$366,000 every year by buying solar energy and re-selling it to the local power grid. Our top priority is to manage tax dollars in a responsible manner, and over the course of the 20 year agreement, taxpayers will save over \$7.3 million. The second reason is that in addition to protecting taxpayers, this agreement helps Monroe County to be good stewards of our local environment. Solar energy is one of the safest and cleanest forms of energy.

The arrays will be installed in two locations. One, adjacent to the closed Gloria Drive Landfill in Penfield, will produce 4 mega-watts of power and the other, adjacent to the Northwest Quadrant Treatment Plant in Greece, will produce 7 mega-watts of power. Both sites were selected to yield the best solar power results, but minimize visual impact to the community.

We are proud to represent the Charlotte community in the County Legislature. If you ever have any questions, please feel free to contact our office by phone at 753-1922, or by email; Brian at monroe7@monroecounty.gov, or Tony at monroe26@monroecounty.gov.

Charlotte Youth Athletic Association - CYAA - 2015 Season in Review

By Brian Labigan

Baseball fans, the CYAA is excited to announce that a successful, fun-filled, 2015 season (62nd) serving players and their families is now a part of Charlotte history. Four registration dates were held in March at the Holy Cross School cafeteria, followed by a parent meeting in April at the Holy Cross School gym to welcome the 225 boys and girls (ages 4-16) and their families. We reviewed general information, rules, and age-group-specific league information. During the third week in April, the players started reporting to our baseball fields at Ontario Beach Park. A two-week player evaluation period for each age group was conducted to determine players' skills for the purpose of dividing them into evenly-matched teams. Once teams were selected, uniforms consisting of a hat, jersey and baseball socks (parents supplied baseball pants) were given to each player. Each age group played regularly scheduled games, Monday through Saturday (twice a week), from early May to the beginning of July.

Additionally, the players were able to participate in a Skills Challenge Day on the first Saturday in June where each age group tested their hitting, throwing and running skills. Each contributor received a participation medal along with 1st 2nd and 3rd place medals for the top three contestants by age group in each skill. Hot dogs, chips and drinks for players and families were provided compliments of our friends at the Ontario Beach Park Program Committee (OBPPC). The CYAA also

partnered with the Rochester Red Wings to sell tickets to players and families to attend a Saturday-night game in June at Frontier Field where the CYAA players were able to walk onto the field prior to the game and view fireworks after the game.

The season culminated with a CYAA complimentary Pizza Night at the end of June where each player received a trophy.

Many thanks go out to our network of dedicated parents, volunteers, team sponsors and benefactors, both public and private. Your monetary donations as well as your time, effort and in-kind support of the children and

this program are indeed commendable. The overall viability of the CYAA depends on these partnerships.

In conjunction with the City of Rochester, Senator Robach and Monroe County, the CYAA is currently wrapping up a capital campaign to raise money, as well as provide a mechanism for future fundraising, to build a concession/bathroom/storage building to help centrally locate equipment and replace the Porta-Johns now in use. Construction is scheduled to start in the spring of 2016. If you are interested in making a donation, our address is: CYAA, PO Box 12524, Rochester, NY 14612. The CYAA is a federally recognized 501(c)(3) organization and all donations are tax deductible. In addition to sponsoring the CYAA baseball, we have expanded our mission beyond the Charlotte Community to include all other areas of the city as well as the surrounding towns of Greece and Irondequoit. We continue to believe in the philosophy of family-friendly, affordable baseball that goes beyond the game; teaching fair play and good sportsmanship to literally thousands of children over the years. Please visit us on Facebook or our website: www.cyaa-baseball.com and consider us as one of your charities.

IS YOUR HOME READY FOR NEXT WINTER?

October 13: 5:30 - 6:30PM
November 10: 5:30 - 6:30PM
December 8: 5:30 - 6:30PM
404 East Avenue
Rochester, NY

I know you all are enjoying this beautiful summer weather, but now is the time to start getting your home ready for next winter. Did your house have huge icicles? This could be a sign that you have some heat loss and need more insulation.

Come to **PathStone's Free Home Energy Efficiency Workshop** to learn about free or reduced cost energy audits, income qualified grants of up to \$5,000, and low interest loans to lower your energy bills and make your home more comfortable this winter.

From the Desk of the - CCA SAFETY and SECURITY COMMITTEE

Information is occasionally received by the CCA Safety and Security Committee or Board from residents relevant to adverse situations or potential crimes witnessed within the community.

Although the Committee and Board appreciate being apprised of these situations, we strongly encourage you to **call 911 first**, prior to contacting the Committee or Board.

Calling 911 will allow for more efficient and expeditious handling of the issues as well as providing a mechanism for officially recording and tracking crimes.

However, please continue to inform the Committee or Board about any concerns you may have regarding the safety and wellbeing of the residents in our neighborhood.

Thank you for being the "eyes and ears" of our community and helping to keep our community safe!

Rochester Police Department Contact Information:

Emergency 911 – immediately, or within the last 5 minutes, of the incident involving safety issues or potential crimes.

Non-emergency 311 – at a later date to speak to a Public Safety Aid about prior incidents or neighborhood security.

Crime Stoppers – 423-9300 (anonymous) providing information that may help in solving a crime

Note: Callers can inform the dispatcher that he/she wants to remain anonymous.
