3,500 Runners Expected to Take Marathon Route Through Charlotte

On September 20th, approximately 3,500 runners will run through Charlotte as part of the 2015 MVP Healthcare Rochester Marathon. The event consists of 3 races: a 26.2 mile marathon, a 13.1 mile half-marathon and a 26.2 mile relay. While registration is still underway, race organizers have confirmed that last year's overall winner, **Daven Oskvig** from Amherst, NY, will be returning to defend his title. He was the overall winner with a time of 2:45:40.

The race start is in Maplewood Park on Maplewood Drive at 7:30AM. Runners will enter Charlotte on Lake Avenue, turn into Turning Point Park and along the river, then up Petten St, to Lake and across the O'Rorke Bridge. Full-marathon runners will run the loop twice to complete the full 26.2 miles.

The route through northwest Rochester is new this year, with past races winding through the eastern portion of Monroe County, along the Erie Canal path. **Ellen Brenner**, race organizer, explained the reason for the new course, "For the new Rochester Marathon course, we always knew we wanted to go where no race ever goes. We wanted to go northwest of Rochester. Where the Genesee River and all its falls helped create manufacturing and our original "Flour City", where the port at Charlotte brought droves of residents on hot summer days to enjoy the beach and carousel, where Lake Avenue had Kodak employees walking along in droves to and from work, where the Genesee River Trail, along with Maplewood Park and Seneca Park provided a respite for residents to simply enjoy Rochester's unspoken natural resource - its beauty. We want you to experience the gorge and multiple waterfalls."

Race organizers review course with Charlotte residents at CCA meeting in July.

CCA President **Clare Stortini**, along with Port of Charlotte Merchants Association, will be leading neighborhood volunteers to provide water and cheer to the runners at the corner of Lake Avenue and the NYS Parkway. According to Clare, "This is an exciting event for Rochester and Charlotte, and a great opportunity for us to share some of the beauty and history that we, in Charlotte, experience each and every day."

Street closings will be available on the MVP Healthcare Rochester Marathon website, <http://www.rochestermarathon.com/default.asp>. For an exciting bird's eye view of the course, go to <https://www.youtube.com/watch?v=Vi5Muiu7Ezo> and literally "fly over" the course.

Many thanks to the MVP Healthcare Rochester Marathon organizers for providing information and photographs for this article.

CCA Seeking Nominees for 2016-17 Executive Board of Directors

The Nominating Committee of the CCA calls for nominations for the 2016-17 Board of Directors. The following positions are up for election this year: **Vice President, Treasurer, and 2 Directors.** Elected candidates will serve a 2-year term from 1/1/16 to 12/31/17.

Brian Labigan is the Nominating Committee Chair and serves with board members **Sue Miller** and **Sue Roethel**. The Committee seeks additional community volunteers to sit on the Committee, which is responsible for screening all nominees to verify that they meet the necessary qualifications. According to the current (2009) By-laws, all board members must reside within the boundaries of Charlotte. First choice of Officer Candidates must be given to currently active Officers and Directors. Those seeking Director positions must be paid members of the CCA, and must have held a position as a Director or have served on a committee for at least one year *.

Nominations must be received in writing **by September 14, 2015.**

Hand deliver ballots to **Brian Labigan** or send to the CCA:

- ♦ By email - infocharlottecca@gmail.com
- ♦ By postal mail - P.O. Box 12768 Rochester, NY 14612.

The Nominating Committee will submit its slate of candidates for Officers and Directors for 2016-17 at the CCA General Meeting on **October 5, 2015**. The election will take place at the CCA General Meeting on **November 2, 2015**. More information about the elections and proxy voting will be coming soon.

PLEASE NOTE: Only paid members of the CCA for at least two months prior to the election (members who are **paid by September 14, 2015**) are eligible to vote for Officers and Directors.

*This qualification was waived last year and must be waived again this year, as none of the current committees have been in operation for that length of time.

CCA Board Changes – Fond Farewell to Brian Labigan

At the August 3rd Charlotte Community Association (CCA) meeting, the Board of Directors (Board) solicited feedback from members present that evening relevant to **Brian Labigan's**, a long-time board member, recent relocation outside of Charlotte.

Article VI, C. of the CCA By-Laws states: "All Executive Board members are required to reside within the boundaries of Charlotte. Resignation from their Executive Board position will be required if relocation of residence outside Charlotte occurs." The feedback received from members at the meeting conveyed their expectation that the By-Laws should be followed. Accordingly, no special accommodations should be made regardless of current vacancies, even when such vacancies could place the Board at risk of not having a quorum to conduct business.

As a result of this decision, Brian graciously resigned, thanked everyone in attendance and assured everyone that he and his wife Michele will remain very actively involved with the CCA and many other Charlotte community activities and organizations.

On behalf of the CCA, Brian will be profoundly missed on the Board, along with his extensive knowledge of the organization, his balanced approach to community concerns and his positive, supportive nature.

Brian, we wish you and Michele the very best!

**Meet Clare Stortini,
CCA President**

A lifelong Charlotte resident at heart, Clare graduated from Holy Cross School in Charlotte, Aquinas Institute, St. John Fisher College and SUNY Brockport. Having owned homes in Irondequoit and Greece respectively, she always planned on moving back to her childhood home that provided many fond memories for several generations of her family. She did just that, in 2012. In her role as Assistant Quality Officer at UR Medicine/Strong Memorial Hospital, Clare finds the focus on Patient Safety, Quality and Patient Right's issues very rewarding.

As CCA Board President, Clare is charged with facilitating all CCA general community meetings and meetings of the Board. She is required to report to the Board before taking any action on specific issues that involve the CCA name or the community as a whole. This year, much of her time was spent working on strengthening the internal operations of the Board by proposing revised CCA Bylaws, Certificate of Incorporation, and working on developing policies & procedures to enhance Board governance. In addition, she volunteers on the CCA Beautification committee and serves as a Non Profit Status committee member for the Corn Hill Neighbor's Association. She also serves as an Advisory Board Member for the Department of Public Administration for The College at Brockport, SUNY.

Spending time with family, friends, and her two large dogs is very important to Clare. She enjoys traveling and takes advantage of our 2nd Amendment rights by actively taking part in the shooting sports. "I take advantage of our beautiful waterfront, whether it's the secret sidewalk, boardwalk or riverfront, and enjoy making new memories with friends & family right here in Charlotte."

Clare's goal while serving on the Board is to work

with fellow Board members to strengthen the operations of the organization to ensure CCA members and residents feel they have a consistent voice and representation. The Board has developed a committee structure to foster neighborhood engagement and inclusion in order to demonstrate transparency and include CCA members and residents when making decisions & recommendations for the Charlotte neighborhood.

"One of our priorities this year is to launch a Charrette/Vision Plan. I feel this is deeply needed in Charlotte and we've worked diligently to examine the benefits of this for the future planning & design of Charlotte as a whole. This will enable neighbors, with different opinions, to come together to share their thoughts and what they would like to see for Charlotte for years to come."

**CCA Board Welcomes New Director
Donna Bour-Purdy**

The CCA Board of Directors voted unanimously on August 6, 2015 to accept the Nominating Committee's recommendation to appoint **Donna Bour-Purdy** as a Director to fill one of the current vacancies. Donna has formally accepted the position and will serve out the remainder of the term that expires on December 31, 2015. The appointment ensures a quorum to conduct business.

Donna has been serving as editor of the CCA newsletter, *Charlotte Community News*, as Chair of the Communications Committee, and as Manager of the CCA Facebook page and email blasts. She is well-versed in the goals of the board and the expectations of the community. Her contributions have been immeasurable.

***It is with great gratitude and pleasure to welcome
Donna to the board as a Director.***

National NIGHT OUT A Success!

Northwest neighborhoods, working with **RPD Officer Kelly O'Hara**, held a successful National Night Out event that began with a motorcade leaving from RPD, 1099 Jay Street and wound through the City's Lake Section to end up at Ontario Beach Park for a picnic dinner. Approximately 75 neighbors, friends and RPD had a great time and were later joined by **Mayor Warren**.

Many thanks to our own Safety and Security Committee, led by **Sue Miller**, with committee members **Bel Graves, Mike Penkin, Michelle Thomas, Lisa Warwick, Trevor Purdy and Carl Giardino**, along with **Brian Labigan, Joe Carrozzi and the Monroe County Parks team**, who worked with the other neighborhood committees to make it a success! Plan to attend this event next year! With an amazing drive through the Northwest neighborhoods, and great camaraderie with neighbors from the Northwest Quadrant, it was definitely worthwhile!

Monroe County Update from Legislators Tony Micciche and Brian Marianetti

For those of us that call Monroe County home, we already know what a great tourist destination the Rochester area is. From downtown Rochester to the shores of Lake Ontario, our County offers many sites and activities to attract visitors from around New York State and beyond. The official tourism agency of the County, **VisitRochester**, has worked tirelessly to promote our area as a premier destination to live, learn, and do business.

This month, County Executive **Maggie Brooks** shared the exciting news that tourism in Monroe County totaled over \$1 billion this past year. **VisitRochester** identified visitors as individuals who come from more than 50 miles to Monroe County for business, tourism, meetings, conventions and special sporting events. The exact number of \$1,001,985 billion was released by the New York State Department of Economic Development, Division of Tourism. This was a continuation of the research originally commissioned by a coalition of New York State tourism partners in 2006.

We know how pivotal the Charlotte community was in helping the County reach the level of over \$1 billion in tourism. These summer months are filled with residents from outside the county flocking to Lake Ontario to enjoy a boat ride, the beach, and an ice cream too. We are fortunate our area has so much to enjoy for the entire family.

We are proud to represent the Charlotte community in the County Legislature. If you ever have any questions, please feel free to contact our office by phone at 753-1922, or by email;

"Welcome To Charlotte Sign" Vandalized—and Restored!

Black paint on the Charlotte Welcome sign.

On July 24, vandals used black paint to decimate the "Welcome to Charlotte" sign on Denise Road. The incident was reported to 311 and a follow up report made to **Lt. Koehn**.

The Charlotte Community Association maintains "Welcome" Signs at major roadways entering the neighborhood (Lake Avenue, Beach Avenue, Denise Road, Stone Road and the Parkway). These signs are a significant investment for the Association, and important symbols that help to

create the sense of neighborhood within the Charlotte community.

Fortunately, there are dedicated volunteers in Charlotte, "a community that cares", like **Brian Labigan**, who were able to restore the sign to nearly-new.

Thank you Brian!

Our sign restored!

Get involved – PAC-TAC in Charlotte!

The CCA Safety and Security Committee would like to help neighbors within the Charlotte Community to form a Police and Citizens Together Against Crime team (PAC-TAC). Increasing safety in Charlotte is not just a law enforcement role, but also involves concerned citizens who want to work effectively with the police in crime prevention.

Please contact Trevor Purdy at 281-7590 or safetyandsecurewithcca@gmail.com, if you would like to learn more.

Community Update – Thanks to RPD

Responding to neighborhood concerns, RPD has taken several actions that we'd like to acknowledge:

- ◆ Positioned a portable "Blue Light Camera" at the Boxart Street parking lot for Turning Point Park (*thanks to Mike Parker for this update*)
- ◆ Placed speed monitors on Beach Avenue and Denise Road to slow drivers and collect information for future action
- ◆ Led the way for Northwest neighborhoods to participate in National Night Out
- ◆ Attend each and every monthly CCA meeting
- ◆ Participate in Safety and Security meetings with Pac-Tac and other helpful information

Please take a minute to thank our officers when you see them in the neighborhood!
