Veterans Day November 11th

Jack Foy and Friend

Veterans Day was originally created in 1938 and known as Armistice Day, to honor veterans of World War I. The name was changed in 1954 to recognize all Veterans.

The Charlotte community is proud of all of its Veterans who have served both in country and on foreign soil.

Please take a minute to thank a Veteran for their service, and also to attend one of the many events around town.

Meet the Candidates Night A Success!

On Tuesday, October 13, over 70 residents attended the CCA forum of candidates for the 2015 races of Monroe County Executive, Legislature, District Attorney, Family Court Judge and City Council Northwest. Candidates were given 5 minutes to introduce themselves and explain their position on important issues. Written questions were collected from the audience and presented to all of the candidates within each race. All of the candidates stayed until the end to meet with residents for one-on-one discussions.

Our sincere thanks to all of the candidates who attended. The Board recognizes that this is an extremely busy time and truly appreciates the effort made by the candidates to come to Charlotte and listen to what the residents have to say.

Many thanks to the organizing committee that included **Fred Amato**, who moderated the event, **Jean Carrozzi**, **Trevor Purdy** and **Donna Bour-Purdy**, and **Clare Stortini**. Also thanks to the **CCA Board** for supporting and promoting the event! Special thanks to **Joe Carrozzi** and the **OBPPC** who managed the building set up.

Charlotte Community Association

Summary of Major Changes to Bylaws – October, 2015

The Charlotte Community Association (CCA), incorporated in 1963, is required by New York Not-for-Profit Corporation Law to maintain bylaws. The current bylaws were approved by CCA members on December 28, 2009.

On **December 7, 2015**, CCA members will be asked to consider and adopt Amended and Restated By-laws of CCA. A copy of the latest version will be mailed to members in a special mailing and also available on the CCA website, <http://www.charlottecca.org/who-we-are/about-cca/>.

The Board believes that the bylaws require updating to reflect changes in applicable laws which incorporate efficiency in the calling and conduct of meetings, the taking of certain actions by the members, and to provide more transparency in governance. The Board engaged the law firm of **Merzbach Law Office, P.C.** to review the Bylaws and recommend revisions. These are reflected in the proposed Amended and Restated By-laws.

Following is a summary of the **major changes** from the current bylaws to the proposed bylaws which will be **presented to the CCA members for a vote at the December General Membership meeting on Monday, December 7th.**

Article 1: Name

- Clarified the official name of the Charlotte Community Association (23rd Ward), Inc., per its incorporation document filed on January 2, 1963.

Article 5: Membership and Dues

- Created two member categories: General and Voting.
Impact: Under the current bylaws, every membership is entitled to cast one vote. This change will remove members who do not wish to vote from the required quorum.
- Voting may be done in person, or by proxy.
Impact: Creates an opportunity for members who are out of town to vote. Proxy must be delivered to the CCA

Board at, or before, the general meeting where a vote will take place.

- Dues received after January 1st will be prorated for new members.

Impact: Current bylaws do not allow for any proration. New members must pay a full year dues, regardless of when they join during the calendar year.

Article 6: Governance

Board of Directors:

- Must be a registered Voting member for a minimum of 30 days.
Impact: Clarifies Board member qualification.
- At least two thirds (2/3) must reside within the boundaries of Charlotte.
Impact: Opens up Board positions to residents outside of the Charlotte neighborhood.

Officers:

- Clarified and documented responsibilities for each officer.
Impact: Provides more information and process clarity for Officers and CCA members.
- New Board role of Chief Communications Officer with oversight of both internal and external communications.
Impact: Board level role to ensure communications consistency across all committees/functions. Outlines approved communication channels.

Meetings:

- Board of Directors shall meet at least once per month, at least ten times per year.
Impact: The Board determined that meeting on the same day as the general membership meeting did not allow enough time to cover all CCA business. This change will allow the Board to meet on a different day from the general membership meeting.
- Community Meetings, previously called Coalition meetings, will be held on the first Monday of the month and open to the community. A minimum of ten (10) meetings will be required.

(Bylaws continued from page 2)

Impact: Current bylaws require a meeting every month. This allows the Board flexibility to manage meeting schedules.

- Special meetings of the community may be called upon written request of ten (10) Voting members. Notice shall be given at least ten (10) days prior to the Special meeting either in the CCA newsletter or in a similar publication distributed to members.

Impact: Establishes an opportunity and protocol for members to call a special community meeting.

- Minutes will be kept and published for all meetings.
Impact: Creates requirement to document, archive and communicate meeting activity to members.

Quorum and Voting:

- Established a quorum for meetings of the members; creates and defines a proxy process.
Impact: Clarifies quorum and creates an opportunity for voting members to vote via proxy, if they cannot be present at a meeting where a vote is taken.
- Established the quorum for Board of Directors and clarifies that Board members who attend by means of a conference telephone or similar communications equipment are considered present at the meeting.
Impact: Creates a provision to allow Board members to participate in meetings through electronic telecommunication methods if unable to be onsite.

Elections and Terms of Office:

- Nominations
Impact: Clarifies nominating process and timing including communication to members of nominees and proxy mailing.
- Officers will be elected by the Board of Directors in January.
Impact: Establishes a process where the Board of Directors will elect the Officers of the Association. Current Bylaws do not have a provision, but past practice has been that Officers are elected for their specific position (President,

Vice-President, Director, etc.).

- Transition- the new bylaws define a process and responsibilities for transitioning new Board President and Board members.

Impact: Creates a requirement for a transfer of knowledge process as people change roles that will minimize disruption for members and ongoing work.

Article 7: Finance

This newly created section states that the annual budget will be reviewed with members and presented for a members' vote at the November meeting.

Impact: Creates accountability for financial review with members.

Article 8: Committees:

Establishes Committees of the Corporation and Committees of the Board

Impact: Provides definition, roles, responsibilities and requirements for various committees which will help members, committee members and Board members to efficiently perform their duties.

Article 9: Bill of Rights

This is new section explains member rights and Board responsibilities for representation and conflict of interest.

Impact: Provides guidance to members and Board members for situations that may arise.

Article 10: Indemnification of Directors and Officers

This new section outlines indemnity guidelines for Officers and Board of Directors under New York Not-for-Profit Corporation Law.

Impact: Provides protection for Board members in the event of a lawsuit or other legal action against the Corporation.

Article 14: Dissolution

This new section explains what will happen to assets if the Association dissolves.

Impact: Provides a roadmap for the Board of Directors to follow.

The Lakeside Farmers Market Completes a Very Successful First Year!

Submitted by Kathy Strauss

Congratulations to volunteers and vendors who made the Lakeside Farmers' Market an overwhelming success. Emulating Ken Warner's words from his D&C Blog, we are definitely "The Little Market That Could."

Kudos to our team of volunteers:

- | | |
|-------------------|-----------------|
| ◆ Marianne Warfle | ◆ Kathy Strauss |
| ◆ Craig Ristuccia | ◆ Kellie Lewis |
| ◆ Matt Juda | ◆ Pat O'Neill |
| ◆ Jalen Juda | ◆ Pam Postgate |
| ◆ Molly Clifford | ◆ Ken Warner |

They operated together as a true united group working hard planning, coordinating and just being there week after week. Our team was and is fully committed to the advancement of the Charlotte Community and truly exemplifies the words of Abraham Lincoln, "Commitment is what transforms a promise into a reality."

Our market initially endured inclement weather, however, we rallied with the addition of more varied vendors, not only providing fresh produce, but pickles, cheese, meat and pasta; not to mention, wonderful baked goods and homemade crafts.

We would like to thank the Port of Charlotte Merchants Association who provided gift cards for our weekly raffles and, of course, all those in the Charlotte Community who supported the market with their patronage. The team learned a lot from our first year and is looking forward to next year being even bigger and better with the continued ongoing support of the Charlotte Community.

**We want to say
Thank You for 11 Great Years!**

WE'RE MOVING TO CITYGATE!

Update from NYS Senator Joe Robach

The New York State Senate is pleased to announce that we have completed a transformational 21st Century relaunch of our official public website which will provide users with fresh, interactive ways to make your voices heard and spark meaningful two-way dialogue between legislators and the constituents we represent. Instead of simply broadcasting messages to the public, our new and improved site will empower New Yorkers to more easily participate in state government from tracking the status of important bills in real-time to receiving periodic updates on issues you care about; thereby, providing your immediate input and feedback to us on anything and everything that is happening in Albany.

This interactive website is the first-ever of its kind offered by any legislature in our entire country. This groundbreaking tool will get New Yorkers more involved and more invested in all aspects of our state government and will positively enhance the way we are able to serve you. We are proud that our New York State Senate is leading the way and doing something that no other USA Legislature has done.

Senate Members encourage all of you to visit www.robach.nysenate.gov or www.nysenate.gov to see what changes we've made and to explore all the different services and options we now offer!
