Celebrate City Living In Charlotte, Saturday, June 25th

The Charlotte neighborhood has been chosen by the City of Rochester and the Rochester Coalition for Neighborhood Living to be highlighted for **Celebrate City Living 2016**. The program helps home buyers and renters learn about the benefits of living in

the city and find the resources to make it easier to buy or rent a home in Rochester.

On June 25th, between 11:00 am and 2:00 pm, the CCA will host "**Celebrate City Living in Charlotte**" - a resource fair to promote residential areas in Charlotte, benefits to residents, and highlight neighborhood attractions to potential home buyers and renters. The event will be a free, open, family-centered resource fair providing visitors and current residents alike, with information about housing and lending opportunities, area restaurants, recreation, goods and services available in Charlotte. Over 75 businesses and organizations have already been invited to participate in the event that will be held in the Port of Rochester Terminal Building. In addition, a tall ship from Spain, Andalusia, will be in the harbor for everyone to see. The new marina and boater services center will open, and possibly a new business or two!

If you are a business or community organization located in or near Charlotte neighborhood and are interested in participating as a vendor, please contact 2016CityLivingCharlotte@gmail.com for more information. There is no fee to participate, but you must register – and space is limited. If you are a resident or friend of the Charlotte community, bring your family to the new Port and Marina for a fun event. Watch the Charlotte Community Association-CCA Facebook page for highlights about Charlotte residents, businesses and special places, as well as announcements of vendors that will be participating. This is a great opportunity for us to show the rest of Rochester and Monroe County what a wonderful community we have. Please spread the word to friends who might be interested!

Attention High School Seniors - 2016 CCA Scholarship Application Deadline Extended to **June 30th, 2016**

The Charlotte Community Association (CCA) is committed to encourage high school students who reside in Charlotte to further their education and is once again offering two \$1,000 scholarships to a high school senior who will be attending college in the fall of 2016. Students must be a resident of Charlotte to be eligible and applications.

The student should submit a scholastic transcript, along with recent grades and PSAT, SAT or ACT scores; two letters of recommendation (preferably from a counselor, teacher, principal or community member); a short essay of 100 words or less on his/her career goals and what influenced their choice. The entire application with attachments must be received by **June 30th, 2016**. The application can be found online on the CCA

website, <http://www.charlottecca.org/latest-news/current-events/> or at the Charlotte Public Library. Please complete the application and mail with the additional information above to:

Brian Labigan, Charlotte Scholarship Committee
105 Camille Drive, Rochester, NY 14612

Final selection will consist of two winners and an alternate. In the event the winner changes plans and does not attend college beginning with the Fall 2016 semester, the alternate will be awarded the scholarship. The winners and alternate will be notified as soon as a decision has been made.

If you have any questions about the application process, please call **Brian Labigan at 585-943-7197**.

Safety and Security Committee Update

By Board Liaison, Jonathan Hardin

On April 21, Jonathan Hardin and Trevor Purdy from the Safety and Security Committee (SSC) met with Principal, **Wakili Moore**, Vice Principal, **Leandrew Wingo** and School Counselor, **Callie Andler**, of the Leadership Academy for Young Men to discuss improving relationships between the students and neighbors. The school's doors open at 8:00 a.m. and they are working both with bussing to coordinate arrival times at the school and on processing the students through the security check points each morning as quickly and efficiently as possible. They are aware that a small number of students are leaving the school property during the day to smoke, which will not be tolerated by the school. If you are aware of a student who is off the school property during school hours, please inform the school by calling 324-7760 ext. 1025 or 1028.

We also discussed community service opportunities for seniors through involvement with the Charlotte Community Association (CCA). Additionally, the Leadership Academy will provide updates about school functions and student

accomplishments for publication in the CCA Newsletter.

On May 7, Jonathan Hardin met with members of the Falleson Road Block Club. The group discussed their planned summer block party and bicycle safety program. They discussed the importance of sharing bike safety reminders with the area children including: never leave bicycles unattended, the importance of recording bicycle serial numbers and of having bicycle photographs for identification purposes in the event the bicycle is stolen.

The Pollard Ave. - Hewitt St. Block Club started canvassing the streets surrounding the Leadership Academy from Pollard Ave. through Hewitt St. in an effort to build support for an end-of-summer block party. They would like to thank our Councilwomen, Molly Clifford, for the copies of the Block Club's flyer. Thank you, Molly!!!

For more information on the SSC, please e-mail Jonathan at mrjhardin@yahoo.com. Our next SSC meeting is on scheduled for June 14 at 6:00 p.m. at the LDR Char Pit.

New CCA Director, Mary Chambers Appointed To Board

The Charlotte Community Association Board of Directors is pleased to announce the appointment of **Mary Chambers** to the Board in an open Director position that she will hold until the end of 2016. Mary, a Rochester native, and her husband Fred returned to the Rochester area four years ago to be close to their family and eight grandchildren after being away in the Princeton New Jersey and Philadelphia areas for 18 years while working for Johnson and Johnson (J&J).

Mary graduated from Cardinal Mooney HS and subsequently attained undergraduate degrees from the Rochester Institute of Technology and Thomas Edison State University, and an MBA from the University of Maryland. Prior to retiring from J&J in 2014, she managed both commercial and government contracts for the J&J family of companies and served on the board of the Association of Military Surgeons of the US Sustaining Membership Committee as Secretary, Treasurer and Chairperson.

"I decided to run for a Board of Director's position in the CCA based on my overwhelming respect and admiration for the work the CCA Board and members have both completed and in which they are currently

engaged. I was so impressed with the accomplishments and dedication of the CCA Board relevant to making Charlotte a better place in which to live and raise a family that I knew I wanted to be part of this team. My husband and I purchased a home on Beach Avenue and were drawn to this area because of its natural beauty; we are dedicated to keeping Charlotte a wonderful, desirable and safe community in which to live."

Imagine City Design That Puts Kids First

By Jenn Beideman, Healthi Kids Coalition

Picture swings at your bus stop while you're waiting to go to the grocery store. Imagine playful colorful sidewalks that let you and your kids play hopscotch on the walk to school or to your local R-Center. Imagine Rochester as a city that embraces play as not only something that happens at parks and playgrounds, but as part of our everyday lives. Imagine a playable Rochester.

Healthi Kids, a community-based advocacy coalition, envisions just that. Our PlayROCs campaign is advocating for safe and accessible play in both schools and neighborhoods to make sure every child in Rochester has the opportunity and access to play every day.

Play is important for everyone, but that's especially true for our kids. Kids that play every day of the year do better in school, are more resilient, and are more likely to grow up and become

active healthy adults. Not only that, it gives kids an opportunity to just be kids.

Across the country, cities are embracing playable city design. Playable infrastructure can create healthy places, build community and foster economic development by promoting physical activity and intergenerational play, supporting neighborhood projects, increasing the usability of public spaces by promoting tourism and increasing foot traffic on streets.

This summer Healthi Kids is coordinating a city-wide play day called "PlayROCs in your Neighborhood." On July 16th, we're asking neighborhood associations and block clubs across the city to join the movement and host their own free play day to bring attention to the need for safe and accessible play spaces in their neighborhood.

To host your own play day on July 16 in your neighborhood, contact me at jennbeideman@flhsa.org or call 585.224.3151. To learn more visit www.playrocs.org.

 Celebrate City Living In Charlotte

It is going to be an exciting summer in Charlotte and I am looking forward to working with our neighborhood, community and business organizations to showcase the area and all it has to offer! The marina project is nearly complete, and with the associated opening of the River promenade and North River Street now connecting the river trail directly to Ontario Beach Park, will serve as a major attraction for walkers, and bicyclists and boaters.

Additional work to finish the port overlook near the railroad bridge and our historic lighthouse is scheduled. This will bring together the major natural and historic Charlotte attractions, making it easy for residents and visitors to make a day of sightseeing, shopping, recreating and dining within the "Charlotte Village."

We are all anxious to see the new plans for the Port of Rochester Mixed Use Development Project which are expected to include changes in both the location of the Phase 1 building and estimated costs. The City

Update: New York State Senate **Joe Robach**

Protecting New Yorkers from Future Cyber Security Threats

Computer security breaches are some of the most serious threats to our national defense, our state's homeland security, and the personal privacy of every New Yorker.

That is why I recently supported the passage of legislation to crack down on cyber terrorism and its rapidly expanding threat to the state's security and finances.

The Senate-approved bills will enact tougher penalties for cyber-related crimes, create cyber security programs to identify potential risks and threats, and require the state to perform a comprehensive review of all its cyber security measures every five years.

These measures will help protect the vital information of private citizens, and provide a framework to make New York State's computer infrastructure the most secure in the nation.

New Yorkers live every day with the knowledge that we are a primary target for terrorism, including computer-based terrorism. We should be equally confident in our capacity to overcome these challenges, and this legislative package is designed to do just that.

I will be sure to keep you posted on my continued efforts.

Update: New York State Assembly **Joe Morelle**, Assembly Majority Leader

Memorial day Reflections

As we reflect on the recent observance of Memorial Day, we honor veterans past and present who gave, as Abraham Lincoln put it, "the last full measure of devotion for their country." The remembrance of their courageous sacrifice should stay with us not only on this day, but every day of the year.

As the son of a veteran, Memorial Day has a special significance to me, as I'm sure it does for many in our community with family or loved ones who have served. It is a powerful reminder that so much of what we take for granted today was forged for us by brave men and women of all generations, whose wars may be long in the past but whose sacrifice must never be forgotten.

New York has a long history of honoring our fallen service members, as the very first Memorial Day got its start in Waterloo 150 years ago when families gathered to pay their respects to their loved ones. Our state is home to almost 900,000 veterans, and we stand with them in honoring their fallen brothers and sisters. We remember you, we thank you, and we salute you.

Port of Rochester Update from City Officials at May 2nd CCA Meeting

Representatives from the City of Rochester were invited to present an update on the Port of Rochester Mixed Use Development Project at the May 2, CCA meeting. **Baye Muhammad**, Neighborhood and Business Development Commissioner; **Zina Lagonegro**, Planning and Zoning Director; **Rick Rynski**, Economic Development Specialist; and **Mark Gregor** Environmental Quality Manager were present to address the audience of about 100 attendees.

At the time of the CCA meeting, the City had not yet received revised site plans from Edgewater Resources, LLC. [These plans were subsequently submitted the week of May 9th and are undergoing review.] The Site Plan Review usually takes about 30 days, but the full assessment and approval process could take up to 4 months.

Commissioner Muhammad stated that the city representatives would provide an overview of the information available to date and would answer any questions that they could. He emphasized that they were there to have an open dialog and support a continued relationship for the mutual benefit of all. The city has informed Edgewater Resources, LLC that they have until June 30th, to secure the funding for the project.

Director Lagonegro presented a review of the zoning process and provided a hard copy of the M-D Marina

District Zoning code 120-77.2 for the community to review. The Marina District code is available online at: <http://ecode360.com/8679474> Additional information regarding the project is available at: <http://www.cityofrochester.gov/article.aspx?id=8589960790> Ms. Lagonegro assured the community that there will be a public part of the process, but she could not be sure that a public hearing would take place, as it is not mandated. She said the site plans will be posted on the City's website and would also be available for public viewing at City Hall. Residents and businesses within 100 ft. of the proposed construction site must receive notification within 10 days that an application for a building permit has been received. Citizens are encouraged to send their feedback by email or snail mail.

Mark Gregor provided an update on the marina construction. The marina and facilities should be open to the public by May 27. *[Editor's note: this date has since been moved to mid-June]*

Community concerns focused on the move of the building site to the NW instead of NE corner of the parcel, lack of funding and continuous changes of the plans by the developer, parking, rising construction costs to overcome the subsurface soil conditions, and the general information void that has existed about this project. A summary of the Q&A will be published in the CCA meeting minutes and posted to the CCA website: <http://www.charlottecca.org/>.

Celebrating 50 Years of Priestly Service

By Anne Johnson

On Sunday, June 5th, **Rev. Thomas H. Wheeland**, pastor of Holy Cross Catholic Church at 4492 Lake Ave. will celebrate his 50th Anniversary of Ordination to the priesthood. Festivities will begin with a Mass of Thanksgiving at 1:30 p.m. followed by a reception and a fun filled afternoon for parishioners of all ages on the parish grounds.

Father was ordained to the priesthood on June 4, 1966 at Sacred Heart Cathedral by **Bishop James E. Kearney** and served at Holy Rosary and Christ the King Parishes and then Sacred Heart before

coming to Holy Cross in June, 1982. Thirty four of his fifty years of priesthood have been as pastor at Holy Cross. Father stated, "The spirit of our Parish is found in the Spirit of God that calls us to be a community that loves God and is in oneness with our brothers and sisters." This is so evident in the parish's love of Father and in his commitment to Holy Cross Parish and his great devotion and love of Holy Cross School which was able to reopen in 2011 after being closed in 2008. Holy Cross Parish serves as a beacon of faith, hope and love in the Charlotte community and so much of that is because of Father Wheeland.

The people of Holy Cross congratulate Father Wheeland and thank him for being their light on their journey of faith!

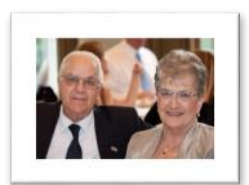

Joe and Jean Carrozzi Recognized By Monroe County Executive Dinolfo

If you live in Charlotte, you have been touched by the amazing gifts of **Joe and Jean Carrozzi**. The Monroe County Executive, **Cheryl Dinolfo**, recognized their hard work and dedication by naming them as Monroe County's nominees for the 2016 New York State Senior Citizens of the Year. According to Dinolfo, "You are both incredibly deserving of this nomination due to your outstanding personal achievements, strong character and ongoing commitments as active volunteers within our community, specifically within the Ontario Beach Park Program Committee. Individually you are tremendous role models and together, you are a true pillar of our community"

Jean and Joe are lifelong residents of Rochester. They have been married for 60 years and love spending time with their four children and seven grandchildren. Jean has received many awards for her

service including the Mayor's Renaissance Award, the Act-1 Appreciation Award, the New York State Lifetime PTA Member Award, the RCD Volunteer of the Month Award and the Rochester Police Rosewood Club Distinguished Service Award. Joe began his service with the Marines and continued his commitment as a city of Rochester firefighter. Joe has also received several awards including the Mayor's Renaissance Award, the Kiwanis Man of the Year Award, The Rochester Police Rosewood Club Distinguished Service Award and the Charles Settlement House Outstanding Alumni Award.

Thank you Joe and Jean for your tremendous service to our community and congratulations on your nomination!
Our community is a better place because of you!

Fred Amato, Marie Poinan and Cannonball Café Receive Awards

The Greece Chamber of Commerce recognized two exceptional individuals and one local business of the Charlotte Community Association at their Annual Community Awards Gala on May 19, 2016.

Fred Amato received the **William E. Selke Senior Citizen of the**

Fred Amato

Year Award. This award is given to exceptional people who demonstrate significant contributions to our community. Fred lives in Greece but spends many volunteer hours in Charlotte: trustee and past President of the Charlotte-Genesee Lighthouse Historical Society, secretary of the Ontario Beach Park Program Committee (OBPPC), member of the Charlotte Community Development Corporation (CCDC) and has been appointed to the Monroe County Parks Advisory Board. He volunteers in numerous activities that serve his faith, governance and community improvements. Soft spoken, a good listener and respectful to all, are some of his many attributes making him a great communicator that benefits Charlotte, Greece, the City of Rochester and Monroe County.

Marie Poinan received the **History Award** for her passion for history and genealogy and for sharing her research through numerous presentations and books about Charlotte and Greece. She received several nominations for this award as recognition for her volunteer work with the Charlotte-Genesee Lighthouse

Marie Poinan

Society and the Greece Historical Society. She is also the Charlotte High School Archivist, a member of CCA and the Ontario Beach Park Program Committee, and conducts the monthly First Thursday History programs at the Charlotte Library. She has published books on the history of Charlotte, the Charlotte Blast Furnace and Odenbach Shipbuilding, Corp.

The Cannonball Café received the **Transformation of an Existing Space Award.** The Cannonball Café is part of the **Coffee**

Connection family that provides employment training and job creation for women in recovery from addiction and as a not-for-profit business sells fair trade, organic coffee to retail and wholesale customers. Located on the corner of Lake and Latta, the former Latta-Meech House built circa 1809, is the oldest house in Charlotte. Renovation efforts were made through the Charlotte Community Development Corporation (CCDC) a nonprofit organization with a vision for neighborhood renewal in Charlotte to restore the interior and exterior to a Victorian style.*

Parkway Noise Barrier and Paving By Tom Brewer

The New York State Department of Transportation is planning to repair the section of the noise barrier wall that is leaning near Lake Avenue this summer. They are also planning to

resurface the Lake Ontario Parkway from Route 390 to the Colonel Patrick O'Rorke Bridge. The project includes the resurfacing of the ramps at the Route 390, Dewey Avenue, Greenleaf Road and Latta Road interchanges.

Traffic will be maintained using lane closures with at least one lane open in

each direction throughout the project. Work on the interchange ramps will require short term closures with posted detours. Construction will begin in May of 2016 and be completed by the fall of 2016. The contractor for the project is Keeler Construction Co., Inc. of Albion, NY.

Excellus Blue Cross Blue Shield Team In The Park!

Thursday, May 12, 2016, was this year's United Way Day of Caring in Rochester. The Charlotte Beautification Committee (CBC) worked with over 20 volunteers from Excellus Blue Cross Blue Shield team to clean out the gardens in Ontario Beach Park! **Laurie Gardner**, the Excellus team leader, stated that her team loves to come down to the beach for this project. This is their second year and they will definitely be back next year. Also helping for the day were Monroe County Park workers led by **Frank Borrelli**, along with CBC volunteers **Doug Paruta, Trevor Purdy, Ellen Merzke and Donna Bour-Purdy**.

The CBC manages over 20 gardens and planters in the Ontario Beach Park and along Lake Avenue. According to **Linda Paruta**, CBC chairperson, "Getting help from Excellus is a huge benefit to our volunteers. This frees them up to work on the new plantings that come in at the end of May." Beautification committee volunteers provide the muscle to plant and maintain the gardens throughout the spring, summer and fall. Funding comes from the Charlotte Community Association and plant donations from Monroe County and the City of Rochester.
