Port of Rochester Updates – June, 2016

Revised Site Plans for Mixed Used Development Project Submitted

An open house for the revised site plans was held at the Port of Rochester on June 8. Residents were informed of the session along with notice that the public

would have 20 days to send feedback to the city of Rochester, ending June 15th.

The revised plans can be found on the city of Rochester website,

<http://www.cityofrochester.gov/Siteplanprojects/>

The next major deadline for Edgewater Resources Inc., is to disclose financing to the City by June 30, 2016.

Port of Rochester Marina Grand Opening

Mayor Lovely A. Warren presided at the opening of the Port of Rochester Marina on June 13th, 2016. City, County and State representatives were on hand to cut the ribbon. CCA Board members also attended. The Mayor was quoted as saying, "This beautiful new Marina at the Port of Rochester puts our city on the map of Great Lakes destinations and establishes a true Port of Opportunity at the meeting place of the Genesee River and Lake Ontario. The idea to build a marina at this site was first proposed more than 50 years ago and, with the help of our partners at the state and federal levels, we have finally made it a reality. This marina will play a major role in our efforts to create more jobs, safer, more vibrant neighborhoods and better educational outcomes for our citizens." The marina is now open for the entire community to enjoy, either on the water or on the land. Many pedestrians, cyclists and picnickers have already taken advantage of the space. Restaurants in the port building are scheduled to open soon.

CCA Board speaks to Rochester City Council

The CCA Board prepared comments to share with the City Council at the "Speak to Council" session on June 14. The board expressed concern that the Charlotte community is not getting adequate communication and meaningful inclusion in the port project process. While we recognize the importance for revitalization of the Port of Rochester, we want to remind you that the land development plans have progressed without the community's consent. The major concerns about the project expressed by the board are scope, impact on traffic and parking, funding and financial viability. The complete letter can be found on the CCA website, <http://www.charlottecca.org/wp-content/uploads/2016/06/june-14-speak-to-council-letter.pdf> or a hard copy will be mailed to your home upon request by calling the CCA hotline at 585-865-6101.

Thank you to everyone involved!

At the June CCA meeting, Lt. Jeff Koehn of the Rochester Police Department, reported that Memorial Day events at Ontario Beach Park went without incident. In his update, he thanked the agencies that partnered with RPD to ensure an enjoyable holiday weekend at the park. We'd like to print this list and also acknowledge and thank everyone involved:

The RPD Lake Section Patrol – Detailed officers to the beach to assist in addition to their patrol responsibilities, the RPD Tactical Section, the RPD Traffic Enforcement Unit, the RPD Mounted Unit, the RPD Surveillance Electronic Support Unit (Trailer Cameras), the Monroe County Sheriff's Office, the New York State Police, the U.S. Border Patrol, Monroe County Probation, Pathways to Peace, Rural Metro, Rochester Fire Department,

Rochester City Security, RTS, The Monroe County Parks Department, the Emergency Communications Department (911). "Also, the Irondequoit and Greece Police Departments agreed to be on hot-ready-standby in case we needed them and we are grateful for that."

Finally, Lt. Koehn acknowledged his own staff, "Lastly, because it's my unit I hesitate, but my CPOs from the NSC really do a great job with this detail. They are responsible for the command van and the ATVs. They also engage in bike patrol and were all over the place. I'm proud of their efforts."

We thank you all for everything you do each and every day!

Thank You!

Welcome To Charlotte Sign and Charlotte Beautification Update

The "Welcome to Charlotte Sign" on Pattonwood Drive has been replaced with funds from the CCA. It was damaged this spring by vandals. **Pam Postgate**, a member of the Charlotte Beautification Committee (CBC), has added her touch with summer flowers. Under the direction of **Linda Paruta**, about 25 other members of the CBC have also been out this spring planting, weeding and watering the 20+ gardens and flower pots in the park and elsewhere in Charlotte. Unfortunately, vandalism has hit the CBC as well, with many plantings dug up and stolen. The good news is that our volunteers are out there working hard to keep our community beautiful. Soon they will be sporting new t-shirts that identify them as Volunteer Gardeners. Please stop by and thank them for their hard work.

June is a busy month for the Rochester City (City) Council as we take on one of our most important jobs of reviewing and approving the comprehensive City budget, including budgets for all of the departments as well as that of the City School District. The Mayor held one budget input session at City Hall, one call-in session and an online survey and City Council itself holds budget hearings that are open to the public and sets aside time for public comment; unfortunately, none of these events were well-attended by the community. We need to do a better job of educating residents about critical elements of the budget, explaining major changes in proposed investments and getting input on specific programs, and I am dedicated to working on increasing public engagement in the future.

Relevant to the 2016-17 budget, I was happy to support several elements including: the funding of 20 police officer positions, previously budgeted but not filled; moving to single-

stream recycling City-wide by mid-next year, making recycling easier for everyone as well as helping the environment; increasing collaboration, thereby expanding youth programming among the Department of Recreation and Youth Services, the City School District and our libraries; and holding taxes essentially flat, resulting in an average \$15 decrease per household this year.

There were several areas of the budget that my colleagues and I questioned which included: the continued growth of the City School District budget, despite decreasing student enrollment; a lack of clear direction in our housing and economic development policies; the effectiveness of some of our job training programs; and, of particular concern to me, targeted investments in some neighborhoods at the expense of others. These are areas of concern that we are committed to focus on over the coming year.

Have a wonderful summer!

**Update: New York State Senate
Joe Robach
Veteran Legislation Passed!**

Good News for New York State Veterans!

After passing the Legislature three times and being vetoed twice, I am happy to announce that the Veterans Buyback Bill has finally been signed into law.

This new law allows all honorably-discharged service members with five-years of existing public pension credit to purchase three-years of credit for their military service. Previously, state law only allowed World War II, Korean War and Vietnam War veterans to purchase pension credits.

My Senate colleagues and I have fought hard to enact this law, to honor those who have bravely served our country and to encourage them to return to New York and continue their public service. This is long overdue and I'm elated that all of our veterans will finally receive the benefits that they have earned. Additionally, I am pleased to recently support the following Senate-approved legislation to:

- ◆ Create a new Korean War Service Medal for military service abroad in the Korean War from June 25, 1950 through July 27, 1953;
- ◆ Create the Vietnam War Service Medal for military service abroad in the Vietnam War from November 1, 1955, through April 30, 1975; and
- ◆ Allow qualified veterans to add veterans' credits to civil service competitive examination scores at any point prior to the expiration of the eligible list; including those examinations for appointments and promotions to the state police.

For more information, or if you need directions to the location, please call my office at 585-467-0410.

I am looking forward to seeing you there!

These actions are the least we can do for our veterans who made the selfless decision to serve their country and protect our freedoms.

Please accept my profound thanks to all our service men and women and their families. It is always an honor to meet with our local veterans and I am humbled to serve as your voice in state government.

CCA Receives NeighborGood Grant to Grow Membership and Volunteer Base

The Charlotte Community Association has received a \$2,500 **NeighborGood** grant from the Rochester Area Community Foundation for its efforts to boost membership. **NeighborGood** grants are designed to help resident-controlled, neighborhood-based organizations in the City of Rochester involve citizens and improve the quality of life in their neighborhoods.

The CCA is committed to increasing community participation in our association and in the neighborhood. The focus of our operating budget is for newsletter and special mailings, along with community outreach such as Scholarship Fund, community sponsorships (such as CYAA) and other outreach activities (several are included in this month's newsletter). As a result, there are limited funds to use for promoting and reaching out to new residents and potential members. This grant will allow us to create a promotional brochure, send mailings to Charlotte residents (4,500 households), create welcome kits for new homeowners and provide member and volunteer recognition opportunities.

This grant will allow us to create a promotional brochure, send mailings to Charlotte residents (4,500 households), create welcome kits for new homeowners and provide member and volunteer recognition opportunities.

The Community **NeighborGood** grants are designed to help resident-controlled, neighborhood-based organizations in the City of Rochester involve citizens

and improve the quality of life in their neighborhoods.

The CCA is entirely dependent on its members and volunteers to make things happen. Our hope is that we can expand our base and enable more

opportunities to achieve our mission, "To build a stronger community and to enhance the lives of our residents by providing a forum for sharing information, connecting neighbors and stakeholders and fostering civic engagement while preserving and promoting the heritage of the Village of Charlotte."

The Community Foundation is a permanent community endowment that assists individuals, families, businesses and organizations to establish funds that aid specific

charitable interests or evolving needs in the community. Since its founding in 1972, more than 1,000 funds have been creating, allowing the Foundation to address a broad range of regional needs, including youth and family programs, early childhood development and education, civic engagement, arts and culture, environment, the aging and women and girls. Charlotte Junior-Senior High School Graduates its Last Class

*By waters of Ontario
Beside the Genesee
In grace and quiet beauty
Charlotte will ever be
A beacon glowing in our lives
An ever living flame
We hail you alma mater
We praise your noble name.*

This school song sung by thousands of alumni says it all. While we wish all the best to the Leadership Academy For Young Men, we are saddened by the loss of not only the legacy and traditions of Charlotte Junior-Senior High School, but also the loss of a school where local women students can attend.

Go Lakesiders!

Pam Postgate Awarded NorthWest Quadrant Community Champion

On June 6th, Neighborworks, Rochester, presented the Rochester Neighbors Community Champion Award winner for the Northwest Quadrant to **Pam Postgate** for her involvement in several community improvement activities. She organized the Stutson Street Block Club and Charlotte Beach Clean-ups and most recently, spearheaded the creation of the Lakeside Farmers Market. According to the Neighborworks Rochester press release, "Ms. Postgate organized the group of neighbors to put it together, then hosted meetings, sought out sponsors and vendors, and locally publicized it. After a successful first year in 2015, the market will open this month for a second year." Pam is a former Director of the Charlotte Community Association Board and is still involved with the Charlotte Beautification Committee.

Congratulations Pam, and Thank You for All You Do!
