- The Leadership Academy is a model school for restorative practices. A large component of this work is the initiation of two help zones in our building. The Lions' Den and the Little Lions' Den are two rooms where students will be given an opportunity to take a break, reflect on challenges, and solve problems with adult guidance in preparation for class.
- Project CRISS is a new program for our middle school

- Our JROTC program is expanding with all of our new 9th grade students participating in the character and leadership development curriculum during advisory time.

•New & Continuing Partnerships:

- Urban League of Rochester will continue to provide our 9th grade students college readiness services through the NY Gear Up Program.

Falleson Road Block Club Report:

The Falleson Road 1st Annual Rock the Block Party was held on August 25th. The community came out to enjoy a day of festivities which included diversity and a celebration of their multi-cultural neighborhood. Kids rode bikes through the street, threw water balloons and danced. Engine 19 from the Lake Avenue Station allowed the children to explore the fire engine and opened a fire hydrant so the kids could cool off on this hot day.

Mayor **Lovely Warren**, City Councilwoman **Molly Clifford**, Charlotte Community Association President **Jonathan Hardin** and NY Senator **Joseph Robach** all attended this event. The Charlotte Library handed out used books and signed

new library cards. The Monroe Co. Dept. of Public Safety put on a bike rodeo and taught the children bike safety. New York Life registered and provided IDs for the children for the National Center for Missing and Exploited Children's database. Foodlink was on hand to teach nutrition and the **All in Brass Band** led by Director **Tom**

Allen provided great music. Each neighbor brought a dish to pass. Hot dogs, hamburgers, subs and drinks were donated by **sponsors Skips Meat Market, Trianos Meat Market, Mott's, Snapple, Sahlens Hot Dogs and Subway.**

Thanks to everyone who helped the Falleson Road Block Club do an outstanding job with planning and implementing this event. **President of the Block Club Claire Golden**, would like to thank the following committee members for their support: **Bridget Padden, Vice President; Gerry Golden, Secretary; Jennifer Meyer, Treasurer; Timothy Padden, Joseph and Andrea Calloway and Robert Downing.**

Northeast Greece Neighborhood Program!

Episcopal SeniorLife Communities is a nonprofit organization providing quality services to seniors for more than 145 years. Our vision is to create communities that inspire active, purposeful and fulfilled lives for seniors. With that vision in mind, we are dedicated to increasing the quality of life for seniors in our neighborhood.

We are pleased to continue offering a health and wellness program for seniors in Northeast Greece and the Charlotte community, which is based out of Beatrice Place, located at 600 Denise Road. Beatrice Place is located on the former Our Lady of Mercy Church and School property. The program, called the Northeast Greece Neighborhood Program, has three main components: physical fitness;

nutrition; and education. The program's goal is to assist seniors in maintaining independence by increasing knowledge, activity levels and overall health by offering fun, social programs specifically designed for older adults.

There is a nominal annual fee of \$75.00 to become a member, and new members receive one month free! All members have access to the transportation service.

To learn more about becoming a Neighborhood Program member, or to take advantage of a complimentary class, contact **Mary Ellen VanAuker**, Community Director, at 585.546.8439 x4410 or mvanauker@EpiscopalSeniorLife.org.

**Update: New York State Senate
Joe Robach
Tax Relief for New Yorkers**

As a result of our ongoing efforts to provide more relief to taxpayers, this year my colleagues in the Senate Majority and I delivered real outcomes for hardworking New Yorkers, including:

A Major New Middle-Class Income Tax Cut: This will reduce taxes by approximately \$4.2 billion for millions of middle-class New Yorkers, as well as for tens of thousands of small businesses. This broad-based tax cut will reduce middle-class tax rates by 20 percent, representing one of the largest income tax reductions in New York State (NYS) history.

Landmark Property Tax Rebate Check Plan: The Senate successfully renewed one of the largest property tax relief programs in NYS history, thereby ensuring that homeowners across the state will continue to see substantial property tax relief rebate checks this fall.

To make additional continuous progress, the State Assembly needs to follow the Senate's lead by approving the following measures:

Mandate Relief: The Senate overwhelmingly approved a bill designed to help control property-tax increases by preventing large unfunded mandates from affecting municipal and school district budgets.

Greater Retirement Savings: This year the Senate approved legislation to double the income tax exemption of private pensions and retirement income, increasing it for the first time since 1981 and saving approximately \$275 million annually.

Update: Molly Clifford Northwest City Council Member

There are a few things on the City Council agenda in September that are of interest to Charlotte residents. At long last, the City administration has identified funding to complete the construction of the concession stand for the Charlotte Youth Athletic Association (CYAA) ball fields. As most of you know, this has been a project has been a long-time in coming; that was delayed due to a number of factors. The good news is that City staff are committed to start the project as soon as the funding has been approved; so fingers crossed, the community will be able to belly up to the counter next season! Thanks to CYAA's **Brian Labigan** for his patience and perseverance, and as well as Commissioners **Marisol Ramos-Lopez** and **Norman Jones** for their support.

Other Charlotte construction projects are nearing completion; – Lake Avenue in construction is on track to be done completed by the end of the year as scheduled, and the Hincer Street Group should be finished this fall. The latter has taken some additional time due to changes including the concession stand water hook-up, special

Thank You Lakeside Presbyterian Church

By Brian Labigan, Scholarship Committee

For many years the people of Charlotte had **Lakeside Presbyterian Church** on Stutson St. as an option for worship. The congregation was a strong vibrant group with a passionate volunteer and faith base. Sadly through the years the numbers in the congregation had decreased to the point where they were unable to continue using the building.

Through the years the church had awarded a scholarship in the name of **Ed Watson**, a member of the church who had donated money for this purpose. It was awarded to a college bound senior from Charlotte High School.

It was brought to the attention of the CCA that the remaining members of the church wanted to continue with the scholarship with the CCA acting as the steward of the funds.

We are happy to announce that with the help of Canandaigua National Bank as fiduciary a separate account was set up for this purpose.

The scholarship will be in the amount of \$2,000.00 and will be open to any college bound Charlotte senior as well as a college bound senior from the Leadership Academy which now occupies the space of the now closed Charlotte High School. The criteria for the scholarship will be very similar to our own CCA scholarship, with emphasis on academics, community service etc. More details will follow.

The Charlotte community is blessed to have such kind, caring and devoted group of people that are keeping a tradition alive.

Thank you so much to the Lakeside Presbyterian Church congregation for your outpouring of generosity.

CCA Volunteers Serve Water to 4,000 Marathon Runners

A group of volunteers from the Charlotte community provided water to nearly 4,000 runners at the MVP Healthcare Rochester Marathon on Sunday, September 17th. The team sported "Dory" hats in keeping with the theme, "Just Keep Running". Runners and spectators enjoyed the spirit shown by the team! Go Charlotte!

Charlotte Beautification Committee (CBC) Finishes Another Successful Season

Well it was one, record breaking, hot summer—and your water bill proves it! You can only imagine the amount of time spent by the CBC to keep the gardens and pots throughout Charlotte watered during the drought of '16. Thank you to all of the volunteers for planting and maintaining the gardens, starting in May. Also, thanks to **Frank Borelli** and his team at the Ontario Beach Park for helping with hoses and even watering when things got really tough. Many others, including **Holy Cross staff** and **local businesses** also stepped in to save the plants.

Several of the gardens won an award through the City of Rochester, Flower City Garden Contest. Committee Chairwoman, **Linda Paruta**, is grateful for the support of the many volunteers. A volunteer recognition event is being planned for later this fall.
