The 33rd annual Lakeside Winter Celebration was held on February 11th at the Ontario Beach Park. Despite the warmish weather, many attended and enjoyed the Lake Ontario Wine and Craft Beer Festival, dog sled demos, outdoor games and ice sculptures. Music was provided by the Neil Van Dorn Band.

Of course it wouldn't be complete without the Chilly Chili Challenge! See Page 2 for the list of winners and their pictures!

Meet New CCA Board Member, Jose Peo!

"A Small Guy with a Big Heart"

Jose Peo

At the CCA Board meeting on February 6th, the CCA Board approved the appointment of **Jose Peo** to fill an open Board position. Jose grew up across the river in W. Irondequoit, with dreams that he would travel the world. With the help of the US Army, he was deployed to several destinations, and in the

summer of 2010, he took a road trip around the United States. "I explored and experienced everything that many countries and states had to offer, but my heart still belonged to the great city of Rochester. Since then I have dedicated my life to becoming a future leader in my community by getting more involved in community and political organizations and having a "purity of intent." I moved to within the city limits for that purpose and fully dove into helping to create the community that I would like the next generation of explorers to want to come to Rochester for."

Jose will represent CCA on the City of Rochester Nuisance Points Abatement Committee, charged by the city to review the program and chaired by former Mayor Johnson. He is a Certified Personal Banker at Five Star Bank, a Treasurer for the Spencerport Masonic Temple, a member of the NW Democrats and La Cumbre, a resident

Please join the Board in welcoming Jose to our community!

If you have any furniture, bean bag chairs, lamps, or area rugs that you are willing to donate, please contact Callie Andler at callie.andler@rcsdk12.org.

Attention High School Seniors - 2017 CCA Scholarship Applications Now Being Accepted! Deadline is June 1st, 2017

It's that time of year again when college-bound seniors start their search for financial aid. The Charlotte Community Association is now taking applications for two scholarship awards.

The first award, for \$1,000, is offered by the Charlotte Community Association and is funded by donations and various fundraising activities. The second is a \$2,000 award in memory of **Edward Watson**, a Charlotte resident, and former student of Charlotte School. This award is funded from donations provided by the **Lakeside Presbyterian Church**.

The criteria for both scholarships are the same. The college-bound senior must reside in the Charlotte neighborhood or attend the Leadership Academy for Young Men (formerly Charlotte High School). For many years the Charlotte Community Association has offered scholarships to students who qualify based on academics, community service and extra-curricular activities. We are pleased to continue this tradition as well as start a new one with the **Edward Watson Scholarship**.

Applications will be available for both scholarships at the Charlotte Branch Library and online at the [CCA website \(charlottecca.org\)](http://charlottecca.org).

Update: New York State Senate
Joe Robach
Dedication of U.S. Navy Seabees Parkway

Governor Andrew Cuomo has unveiled his Executive Budget proposal, marking the official start of the 2017-18 State Budget negotiation process.

As your Senator, I will be working tirelessly throughout the budget process to ensure that the final plan we adopt reflects the key priorities and goals of families, senior citizens, young New Yorkers and small business owners throughout our community.

From helping to create new job opportunities, to reducing the tax burden on hardworking men and women, to ensuring that we get our fair share of state school aid, I will be working tirelessly to make sure that the final budget we enact will provide our community with the resources and funding it needs to continue moving forward.

To help keep you well-informed on budget-related developments going forward, I have created a State Budget informational page on my web site. The page provides links that will let you review specific details of the Governor's proposal and will also keep you posted on new developments related to the budget review and negotiation process. It also allows you to share your views on the budget and to let me know what issues are important to you, your family, and our local community. As always, I truly appreciate your input and feedback.

I am looking forward to speaking with and listening to all of my constituents about their needs, concerns and priorities as we review the Governor's plan and put together a final State Budget for 2017-18.

Update: Molly Clifford
Northwest City Council Member
 City of Rochester, Climate Action Plan

You may have heard about Rochester's "Sanctuary City" legislation that was passed by City Council in February. I have heard some questions about the legislation and wanted to take

While the "Sanctuary City" concept is in the spotlight now because of the proposed federal immigration ban, Rochester has actually been a "City of Sanctuaries" since 1986. Back then, several Rochester churches banded together to offer sanctuary to individuals fleeing persecution in Latin American communities and seeking additional protection.

The primary focus of the updated legislation is to assure "immigrants and refugees that they can contact the police and other City agencies without fear of adverse immigration consequences," so that their safety, well-being, and that of the public will not be jeopardized. It also reaffirms that City personnel shall not request proof of immigration status or citizenship when providing services, unless specifically required to do so by law (our Human Resources Department, for example, will still require proof of citizenship for new employees).

We followed the State Attorney General's guidance

The primary focus of the updated legislation is to assure "immigrants and refugees that they can contact the police and other City agencies without fear of adverse immigration consequences," so that their safety, well-being, and that of the public will not be jeopardized.

to local governments so that whatever steps we take are in line with the State and U.S. Constitution and will not subject the City to any kind of punishment or retribution. It is based on the principle that the federal government, not local, is responsible for implementation and enforcement of immigration policies.

The Northwest District is home to nearly 2/3 of Rochester's refugee population, who have proven to be hard-working, peaceful and contributing residents. They have been vetted by several government administrations over the years they have spent in refugee camps. I think it is important to support them as much as we do the rest of our neighbors.

If you would like a copy of the Sanctuary City legislation or have any questions or concerns about it, please contact my office at 428-5982 or molly.clifford@cityofrochester.gov.

Get involved – PAC-TAC in Charlotte!

The CCA Safety and Security Committee would like to help neighbors within the Charlotte Community to form a Police and Citizens Together Against Crime team (PAC-TAC). Increasing safety in Charlotte is not just a law-enforcement goal, but also involves concerned citizens who want to work effectively with the police in crime prevention.

We also want to help neighbors seeking information on how to start a neighborhood watch program, how to have dialogue with your neighbors by hosting a block party this summer and/or neighbors seeking to actively participate on the Safety and Security Committee.

Please contact **Jonathan Hardin**, Board Liaison to the Safety and Security Committee at 585-865-6101 or infocharlottecca@gmail.com, if you would like to learn more.
