President's Message

Our Mission Statement above has some key phrases that are being promoted with the events below: *stronger community, sharing information, and connecting neighbors*. Hope you and your family will join us in these and other events found in this issue as we strengthen, share and connect in a safe and vibrant Charlotte Community.

Annual CCA Picnic – NEW DATE, TIME, LOCATION!

Please join us for the **CCA Annual Picnic on Monday, August 7th at 6:00 PM at the Roger Robach Community Center, 2nd floor.**

The picnic will be held on the night of our general meeting and we will provide an update to everyone in attendance at 7:00 PM. Please bring your friends, neighbors and anyone that you know who would be interested in attending. What to bring? If your last name begins with **A – M** bring a **side dish** to share and anyone with the last name beginning with **N – Z** bring a **dessert**.

CCA will provide the main course and beverages. We are also having a membership special for the remainder of the year. For \$5.00 and an email address you can become a member of the association.

Say Hello Neighbors, Good Bye Summer!

We are asking our members to host **Front Yard Barbecues on Saturday, August 26** and get to know your neighbors. We are doing this on the same day as the Falleson Road Block Club's Rock the Block Party as a show of support for their efforts. The Board approved a \$150.00 donation to the Falleson Road Block Club to cover their fees to the City for the event.

It has been proven that strong Block Clubs and neighborhood watch programs reduce crime and strengthen neighborhoods. Block Clubs help neighbors get to know each other and build positive relationships in our communities. If you have the desire to start a Block Club and need advice, please feel free to contact us at: infocharlottecca@gmail.com.

We welcome everyone to take this exciting opportunity to meet your neighbors on August 26th and host a fun, festive **Front Yard Barbecue**. Connect and build those positive relationships and **send us pictures** of your Front Yard Barbecue to our email address above or to any board members! You may be featured on the CCA Facebook and/or Instagram pages! Let's all commit to knowing our neighbors and advocating for safe neighborhoods.

Have a safe happy *Summer*!

Charrette Update – July-August, 2017

Plans for the charrette for the Port of Rochester are finally getting underway, after a delay with the contract between the Community Design Center of Rochester (CDCR) and the City of Rochester, which is providing the initial funding.

CDCR has been engaged to assist the community with the charrette. They will work with a steering committee formed of members from the community who will lead the process over the next six months. The steering committee's charge is to plan a day to bring the community together for a brainstorming session (charrette) to envision new development at the Port. The charrette day will be scheduled on a Saturday this fall and will be open to the entire community. An exact date has not yet been chosen but will be announced as soon as possible.

For information, please follow the charrette as it progresses via the CCA website at <http://www.charlottecca.org/community-development/charrette-process/>.

CCA Seeking Nominees for 2018-2019 Board of Directors

The CCA Nominating Committee is soliciting nominations for the 2018-2019 Board of Directors. The following positions are up for election this year:

Vice President, Treasurer, and three Directors.

Elected candidates will serve a two-year term from 1/1/18 to 12/31/19.

According to the Bylaws, all board members must be CCA members in good standing for at least two months prior to election and, with one exception, must reside within the boundaries of Charlotte. Current Bylaws allow for one seated Board member to reside outside of the Charlotte community.

Nominations must be received in writing by September 11, 2017.

Voting Rules: New or renewed members, effective as of **September 11, 2017**, are eligible to vote for Officers and Directors. More information about the elections and proxy voting will be coming soon.

Additionally, the Board is looking for community volunteers to sit on the Nominating Committee, which is responsible for screening all nominees to verify that they meet the necessary qualifications.

Anyone interested in serving on the Board of

Directors or the Nominating Committee should contact **Sue Roethel**, Board Secretary and liaison to the Nominating Committee at ccanewsny@gmail.com or 585-865-6101. Nominations may be submitted via email or by mail to the Charlotte Community Association, P.O. Box 12768, Rochester, NY 14612.

Key Dates:

- **September 11** – Last day for nominations to be received by Nominating Committee
- **October 2** - Nominating Committee will submit its slate of candidates for Officers and Directors for 2017-18 at the CCA General Meeting
- **November 6** - the election will take place at the CCA General Meeting

**Update: New York State Senate
Joe Robach**
Enhancing Workforce Development to
Improve Opportunities for More New Yorkers

Developing a skilled workforce and training people for high-demand jobs benefits us all – workers, employers, and our economy as a whole. Most importantly, it benefits families and communities.

That is why I was pleased to support a package of bills in the Senate that aimed at boosting the state economy by training job seekers and existing employees for the employment opportunities that are in demand.

Specifically, the legislation includes measures that will:

- ◆ Encourage statewide participation in apprenticeships
- ◆ Give job opportunities to those who served our country
- ◆ Make information about New York State work programs more accessible
- ◆ Establish the “Retrain and Employ Unemployed Persons Program”
- ◆ Invest in our children’s immediate future
- ◆ Attract talented educators who prepare the next generation

In addition to the Senate-approved bills, significant funding for job training and workforce development initiatives in this year’s State Budget to help enhance New Yorkers’ job skills was procured. These budget measures create pathways to new opportunities, financial security and a successful career. Overall, this year’s budget includes over \$260 million in Legislative Workforce Development and other labor-related initiatives.

I am working to ensure that New Yorkers have access to effective job training services that can help them succeed in our rapidly changing economy. Collaborating with labor, education and business, I am confident we can develop initiatives that will continue growing our economy and providing greater opportunities for workers and employers. I will be sure to keep you posted on my efforts.

**Update: New York State Assembly
Joe Morelle**
Summer, 2017

As water levels continue to rise and devastating flood waters ravage our communities across the state, it is critical that government and community partners find ways to provide resources and relief for as many affected homeowners, businesses and not-for-profits as possible.

I am grateful to the governor for signing into law legislation (A7712/S5902) that Senator Helming and I sponsored which allows municipalities to immediately apply for funding under the Clean Water Infrastructure Act passed in this year’s budget; bypassing the original 120-day wait period. This is a crucial step to ensure local governments have the necessary resources to safeguard public and environmental health.

However, as conditions continue to worsen, it is clear that more help is necessary. Therefore, I continue to work with my colleagues in the Assembly to find ways to help those affected get back on their feet. I have recently proposed bipartisan legislation (A8013) to create a Flood Recovery Program to provide much-needed support for those along the Lake Ontario-St. Lawrence seaway, including:

- \$40 million for affected property and business owners
- \$40 million for local governments
- \$25 million for mitigation and planning efforts to prevent further damage caused by the extensive flooding.

This legislation addresses the immediate needs of our communities by offering uncapped aid to home and business owners for storm-related repairs and restoration, previously not covered by any other federal, state or local recovery program. It also takes proactive steps towards the future by allocating funds to ensure adequate infrastructure is in place to protect municipalities from further damage that may occur due to the already heightened water levels.

The safety of our residents is paramount. I remain committed to working with my colleagues in the Senate to turn this proposal into law and provide the support our neighbors on the lake deserve in their time of need.

 Office: 585.428.7538 | Cell: 585.233.3699

Update: Molly Clifford
Northwest City Council Member
City of Rochester

By the time you read this, the City's budget process will have come to a close and the 2017-18 budget will likely have passed without much fanfare. Given all that is going on in the world, it is understandable that 1000+ pages' worth of budget documents are not the first thing people want to wade through to figure out what's going on in the City, so I am providing this overview.

This is a "hold the line" budget. Essential programs and services are maintained, taxes and fees are basically flat, and the structural operating deficit is largely covered by cuts and deferrals in capital projects. The *Democrat and Chronicle* has referred to it as an "election year budget" and, while that may be true, it is an

approach that is probably okay for a year or two. However, this could lead to some real degeneration in the City's historically strong financial position if we continue to do it over the long run.

On the revenue side, we continue to fall behind other upstate cities in the amount of unrestricted aid we get from New York State. We have tried to make the case for fairness over the past decade with only half-hearted support for any real change. We did not receive the \$6 million bump that we had last year. Similarly, our joint efforts with Monroe County, particularly the Library System and the Emergency Communications Department (9-1-1), continue to be underfunded by the County, leaving the City to plug holes to maintain vital services.

The County has not increased funding to libraries since 2002.

As for expenses, over \$20 million in capital projects have been deferred or are proposed to be funded through bonding or the use of other funding. This could cost the City more over the long term as we have to pay interest on the debt. That being said, we are not seeing major program cuts or layoffs. Residents should see the same level of service this year and the hope is that our financial outlook improves so that next year we will be in a stronger position. I am hopeful to have a more optimistic report next year!

Falleson Road Block Club is hosting their 2nd Annual Block Party on August 26th.

Festivities / Visitors will include: the Fire Safety House ▪ City of Rochester Recreation on the Move Engine 19 ▪ Mayoral Candidate Rachel Barnhart ▪ Charlotte Community Association ▪ Charlotte Colonials Semi Pro Football Team ▪ Charlotte Branch Library ▪ Kevin Deutsch from New York Life creating children's ID's for the National Center for Missing and Exploited Children and ▪ music by the **All in Brass Band**.

If you are able to provide a raffle prize or a food item for the block party please send us a private message to our email which is

fallesonroadblockclub@gmail.com.

Please view and like us on Facebook.

We encourage the community to get out and meet everyone on your street on August 26th. Pull out your grill, have a front yard barbeque and chill with your neighbors. The best way to keep a pulse on your neighborhood is to start a block club. Send **Claire Golden**, Block President, an email if you would like more information on how to get started.
