"Charrette Day" ***Invites Community Members to Share Ideas for*** ***Redeveloping the Port of Rochester***

Neighborhood partners to host a community-wide "charrette" to gather public input for redeveloping the port and surrounding areas

The City of Rochester, the Community Design Center Rochester and a number of Charlotte-based neighborhood groups have collaborated to host a "charrette" – or public brainstorming session – on **Saturday, November 4, 2017 (rain date November 11th)**. The community is invited to participate in the "Charrette Day" to share ideas and discuss solutions and opportunities for redeveloping the Port of Rochester and surrounding locations. The process is open, inclusive and essential in ensuring that the vision of community members is reflected in future projects.

Geographic areas to be studied in the charrette include:

- ♦ The port, harbor, and marina;
- ♦ Ontario Beach Park and the Roger Robach Community Center;
- ♦ River Street North and the Riverway Trail;
- ♦ The Lake Avenue corridor.

Topics to be addressed during the event include:

- ♦ Transportation;
- ♦ Year-round activities and cultivating underutilized spaces;
- ♦ The port, harbor, and marina areas;
- ♦ Accessibility to Ontario Beach Park;
- ♦ Connectivity of the River Street North area and the Riverway Trail to the beach;
- ♦ The Lake Avenue corridor as a gateway to the waterfront and city.

Charrette Day runs from 8:30 a.m. until 4:30 p.m. on Saturday, November 4 (rain date November 11th) in the Port of Rochester Terminal Building (1st floor). Attendees will be divided into groups to discuss assigned study areas and topics, and brainstorm their ideas for improving those areas. A light breakfast and lunch will be served.

Feedback generated at Charrette Day will be included in a report published by the Community Design Center Rochester. The document will become the basis for a comprehensive vision plan that will be used to demonstrate how the community would like developers to approach projects in the area. A public forum will be held in early 2018 to share the results of the charrette and to collect further feedback from the community.

Participation in Charrette Day is free and open to all interested residents, stakeholders and members of the Greater Rochester community. **Registration is required (see page 3) and is available on a first-come, first-served basis.**

Details and registration information for the charrette are available at

www.charlottecca.org/charrette-registration/ or by calling 585-865-6101. For more information about the charrette process or the study areas and topics, please visit at www.charlottecca.org/community-development/charrette-process.

Summer Block Club Events!

Claire Sturtevant of Falleson Block club, reported that the **Rock the Block Party** held on August 26th was a great success! Also, John Stevens of Cherry Street, held a **Front Yard Barbecue**. He offered hot dogs and a bottle of water and about 10 people stopped by! He was surprised when he met a new neighbor that he didn't know.

Thanks Claire and John for leading the way!

Best of Charlotte 2017

The Second Annual Best of Charlotte is the largest fundraiser for the Charlotte Community Association, Inc. and we would be grateful for your support. There will be wine, whisky and brewery tasting stations from the following vendors:

Wineries: A Gust of Sun, Deer Run Winery, Lakeland Winery, Midgard Winery, Raymor Estate Wine Cellars, Zugibe Vineyards, Victorianbourg Wine Estate, Iron Smoke Distillery AND More to Come!

There will be tons of raffle gifts, door prizes, silence auctions items, a 50/50 raffle and great music. The CCA community service awards will be given out for Teacher, Firefighter, Police Officer, Citizen, Group and Volunteer of the Year.

This is a great way to meet members of our community and raise funds in support of the association's scholarship program, gardening club and activities for the calendar year.

EARN A FREE TICKET! Become a 2018 Patron, Sustaining or Benefactor member of the association before 11/20/17 and receive one free ticket to the event. You can become a member of the association by visiting www.charlottecca.org and

**Update: New York State Senate
Joe Robach**
**Enhancing Workforce Development to
Improve Opportunities for More New Yorkers**

Developing a skilled workforce and training people for high-demand jobs benefits us all; workers, employers and our economy as a whole. Most importantly, it benefits families and communities.

During the 2017 Legislative Session, I was pleased to support a package of bills aimed at boosting the state economy by training job seekers and existing employees for the employment opportunities that are in demand.

Specifically, the legislation includes measures that will:

- ◆ Encourage statewide participation in apprenticeships;
- ◆ Give job opportunities to those who served our country;
- ◆ Make information about New York State work programs more accessible;
- ◆ Establish the "Retrain and Employ Unemployed Persons Program";
- ◆ Invest in our children's immediate future; and
- ◆ Attract talented educators who prepare the next generation.

In addition to the Senate-approved bills, I also helped to successfully deliver significant funding for job training and workforce development initiatives in this year's State Budget to help enhance New Yorkers' job skills -- creating pathway to new opportunities, financial security and successful careers. Overall, this year's budget includes over \$260 million in Legislative Workforce Development and other labor-related initiatives.

I am working to ensure that New Yorkers have access to effective job training services that can help them succeed in our rapidly changing economy. By collaborating with labor, education and business, I am confident we can develop initiatives that will continue growing our economy and provide greater opportunities for workers and employers.

**Update: New York State Assembly
Joe Morelle**

Assemblyman Morelle's daughter, **Lauren**, passed away on August 30th after fighting an 18 month battle with breast cancer. She was 31 years old.

The Charlotte Community would like to express its deepest condolences to Lauren's family, husband **Nate Stone**, her children **Arabella and Jonas**, and her parents, **Joe and Mary Beth Morelle**.

**October National Breast Cancer
Awareness Month ***

Breast cancer is the second most common kind of cancer in women. About 1 in 8 women born today in the United States will get breast cancer at some point.

The good news is that most women can survive breast cancer if it's found and treated early.

If you are a woman age 40 to 49, talk with your doctor about when to start getting mammograms and how often to get them.

If you are a woman age 50 to 74, be sure to get a mammogram every 2 years. You may also choose to get them more often.

Talk to a doctor about your risk for breast cancer, especially if a close family member of yours had breast or ovarian cancer. Your doctor can help you decide when and how often to get mammograms.

Update: Molly Clifford
Northwest City Council Member
Getting It Right on Parcel 5

I appreciate this ongoing opportunity to provide a few updates on projects of interest for Charlotte residents. First, it was great to be able to join **Senator Joe Robach** and other City officials to finally cut the ribbon on the new concession stand (and restrooms!) at the CYAA ballfields! Special thanks to **Jim Farr** and the teams from the Departments of Recreation and Youth Services and Environmental Services who put the funding together to get this project done. It will be a much more friendly and comfortable place for families to watch and play baseball!

Funding for the Alpha Street Group street project

has been approved, with construction slated to start in the spring. This project will widen Alpha Street and Wilder Terrace, and replace curbs and catch basins, upgrade street lighting and other related activities on those streets as well as on Meriden and Braddock. There will be at least one more public meeting before the project starts – if you have any questions in the meantime, please contact my office at molly.clifford@cityofrochester.gov or 428-5982.

Council also approved funding for Phase 1 of the Eastman Trail, which will eventually connect the Genesee Riverway Trail to the Canal trail along 390. This funding is for Phase 1, which will begin the spur from the Canal trail to Mt. Read Blvd. When it's completed, this will open up many more options for people who love to walk and bike our trail system!

Finally, if you haven't seen the new marquee and other exterior improvements to the old Building 28 on W. Ridge Rd. at Eastman Business Park (formerly Kodak Park), check it out! It looks great and there are exciting plans to continue to develop and promote the "Kodak Center," as it is now called, for performances and exhibits.

Another Successful Season – Concerts By The Shore

After a rocky start with the wet weather this spring, the Ontario Beach Park Program Committee (OBPPC) end the year with a huge success at the last concert of the year with Ruby Shooz. The largest crowd of the year gathered to say good bye to summer!

Thanks to everyone that made it possible, including these dedicated volunteers from the OBPPC who came weekly to help organize, and then to collect donations for the event.

THANK YOU PAULA KOSIOREK!

At the last CCA meeting, Paula Kosiorek announced her retirement from her position with NYS Senator Joe Robach. Paula has decided to retire, leave Rochester, and start checking off items on her bucket list! The CCA would like to thank Paula for her volunteer work and commitment to the Charlotte and Greece communities, not to mention her accomplishments on behalf of NYS constituents.

*Thank you Paula!
We hope to see you back here
soon to visit!*
