### Port of Rochester and Charlotte Community Charrette Day on November 4<sup>th</sup>

Got ideas about redeveloping the Port of Rochester and surrounding areas of the Charlotte neighborhood? What about ways to improve the Lake Avenue corridor around the beach, harbor and businesses to make it safer and more welcoming? How about ways we can use underutilized spaces and transform our lively summer community into an exciting, year-round destination? Here's a GREAT opportunity to share ideas with your neighbors in an all-day community brainstorming session (a.k.a. "charrette") that will bring many stakeholders together to envision the built spaces of the future in Charlotte.

Register to participate in the Port of Rochester and Charlotte Community Charrette Day on **November 4, 2017 (rain date November 11), 8:30 am – 4:30 pm in the Port of Rochester Terminal Building, 1<sup>st</sup> Floor.** \* Register here: [www.charlottecca.org/charrette-registration](http://www.charlottecca.org/charrette-registration) or contact the Charlotte Community Association at [infocharlotte@gmail.com](mailto:infocharlotte@gmail.com) for more information.

Charrette Day attendees will be divided into small focus groups with facilitators from the Community Design Center Rochester to discuss assigned study areas and topics, and brainstorm their ideas for improving those areas. A light breakfast and lunch will be served.

Feedback generated at the event will be included in a report published by the Community Design Center Rochester. The document will become the basis for a comprehensive vision plan and will be used to demonstrate how the community would like developers to approach projects in the area. A public forum will be held in early 2018 to share the results of the charrette and to collect further feedback from the community.

Please follow the charrette day via the CCA website at: <http://www.charlottecca.org/community-development/charrette-process/>.

## Tell City Council You Support Lower Speed Limits and Save Lives

Every child has the right to streets that are safe for active transportation and play. Unfortunately, speeding cars are common on Rochester's residential streets. These cars make it dangerous for both children and adults, and prevent people from getting the benefits of outdoor physical activity. Every year, hundreds of bicyclists and pedestrians are struck by cars in the City of Rochester. It's time to lower the residential speed limit.

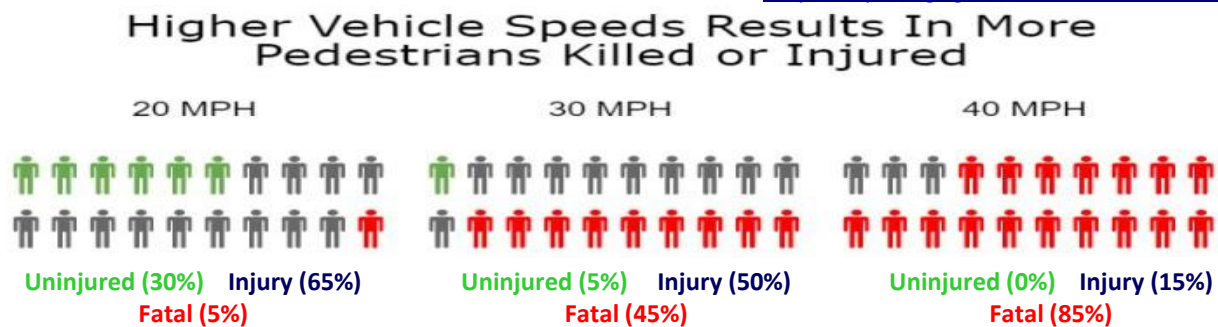

There is a movement underway to reduce the residential speed limit in Rochester to 25 MPH to save lives. Due to some complicated New York State legal procedures and the current laws, lowering the local speed

limit below 30 MPH requires the State Legislature's permission. The first step in the process is having City Council pass a resolution that requests permission from the State Legislature before it reconvenes in January.

How fast we drive on our community streets impacts that safety and quality of life for those who live, work, play and shop along these streets. Around the country, cities such as Cambridge, MA, New York City, and Seattle, are lowering their speed limits to make residential streets safer. Many are hoping Rochester will soon follow suit.

Write your City Council members to show your support!

## Monroe County Sheriff Meet the Candidates Forum Cancelled

Following the successful "Meet the Candidates Night" in August where over 100 residents attended, a second "Meet the Candidates Night" forum was scheduled for Tuesday, October 3<sup>rd</sup>. The candidates for the offices of Monroe County Sheriff and the Rochester School Board were invited to attend. Invitations were issued in early September. The School Board Candidates did not reply until after the primary. After subsequent requests and follow up, with negative results, the Board decided to

cancel the School Board Candidates portion of the forum.

When notified of this change, the Monroe County Republican Committee decided to rescind Sheriff O'Flynn's participation because the new format was not agreed upon and "more closely resembles a debate than a forum." Retired Greece Police Chief Todd Baxter was still willing to meet with residents, but the Board decided to cancel the forum altogether. This event will not be rescheduled.

## **Puerto Rico Relief** *By Jose Peo*

**O**n October 4, I was thrilled to take a trunk full of items to the State Police station on Scottsville Rd donated from the local Charlotte Community to assist Puerto Rico (PR) hurricane victims. The police officers had just completely loaded an airplane a few days prior with a tremendous amount of donations pouring in from the local community! Unfortunately, some items (medical supplies) were not suitable for this effort; since they were only accepting batteries, water and food. My abuela (grandmother), girlfriend and her son (all of PR heritage) knew how badly the medical items (hydrogen peroxide, rubbing alcohol, band aids, feminine hygiene products, etc.) were needed and were able to bring them to an amazing community event, where they will be forwarded on to the victims, on October 7 at Parcel 5 downtown.

Many people in Puerto Rico still have not been reached; my grandmother has been unable to reach her sister who lives in the mountains, where traveling to cities is still too treacherous. Phone lines are still down and cell

towers are very spotty at best. Nearly 85% of the island still lacks electricity, 36% is without running water and only 8% of the roads have been cleared and are now passable. Our island has been decimated and without support from communities like Charlotte and the City of Rochester things would only be worse. The generosity, assistance and love from our local community to help the PR victims, family and friends is greatly appreciated. They continue to need our support and prayers.

**Protecting Yourself from the Equifax Breach**

**T**he recent Equifax data breach reportedly exposed the sensitive personal and financial information of 143 million Americans and over 8 million New Yorkers.

According to Equifax, one of the nation's three major credit reporting agencies, the hackers accessed people's names, Social Security numbers, birth dates, addresses and, in some instances, driver's license numbers and credit card numbers.

**E**lection day is quickly approaching! This year marks the 100<sup>th</sup> anniversary of women's suffrage in New York State, which was one of the first states in the country to pass legislation giving women the right to vote prior to the passage of the 19<sup>th</sup> amendment. As the home of Susan B. Anthony, who fought so passionately for the right to vote for all citizens, it is especially fitting that the Rochester community honors her legacy by showing up to the polls on November 7. There are important elections for many county, city, and town offices on the ballot this year. Time and time again, we see some of these races come down to the slimmest of margins. Every vote counts, so be sure to make your voice heard!

**Update: Molly Clifford**  
**Northwest City Council Member**

The number one complaint I get from Northwest residents, no matter what neighborhood they live in, relates to the amount of litter on our City streets. There are a number of ways that we must deal with this problem; like many public issues, we use a combination of education, engineering and enforcement. As examples, we educate our residents about the need to keep streets clean and the impact of litter on the environment; we engineer ways to make it easier for people to dispose of their garbage by putting toters where people litter most and we enforce by ticketing the most flagrant offenders.

Unfortunately, the problem is only getting worse and we need to step up our efforts in all three areas. I have written a letter to **Mayor Warren** asking for increased enforcement of littering and trash and debris violations. The City has also recently joined the national Keep America Beautiful organization, which is a grassroots network of communities that share anti-littering strategies and ideas, which is another good step.

An "engineering" option my Council colleagues and I are currently examining is the implementation of a surcharge on single-use plastic bags. These are the bags that we see stuck in our trees, plastered to fences and clogging up street-sewer drains. They are both unsightly and difficult to recycle. Rather than banning them, as some communities have done, we are investigating a surcharge of .05 - .10 each; revenues from which

There could be exceptions to the surcharge for food banks and other non-profit uses, people who use SNAP, and one-time events. ## NEW MINISTRY

**T**he Abundant Grace Church, located at 4292 Lake Avenue, is in the process of developing a new ministry for the cognitively delayed. This ministry is being led by the parents of a cognitively-delayed son named Sean. The meetings will be held in small-group fashion at the church on the 1st & 3rd Wednesdays of each month from 6:30-8:00 PM, beginning in November of 2017. All participants must be accompanied by parent or caretaker.

Abundant Grace Church

The mission of Hidden Pearls is to reach out to the cognitively delayed and their families in the Rochester area; encouraging them to be followers of Jesus by living and sharing the good news of God's love for them.

The vision of Hidden Pearls is to be a Christ-centered, prayerfully-dependent, educational and disciple-centered ministry; actively providing pathways to full inclusion into all aspects of Church life.

### Food for Thought Book Discussion

**Group** - Tuesday, November 21 at 1 pm. November's selection is *You Should Have Known* by Jean Korelitz. "Devoted to her husband, a pediatric oncologist, their young son Henry, and the patients she sees in her therapy practice, Grace Reinhart Sachs is living the only life she ever wanted for herself. [But when she's] left behind in the wake of a spreading and very public disaster, Grace must dismantle one life and create another for her child and herself." Amazon.com. It's a New York Times bestseller. Pick up a copy of the book and join us for some great talk! Adults.

**Paper Crafts for Adults** - Tuesday, November 28th at 1 pm. We'll be creating two different 3-D decorations out of paper. Weave a Finnish Star and twirl a Snowflake! Both are simple to make and stunning to see. Perfect for the holidays! You will leave with a finished product and the instructions to make more at home. Materials provided. ## **Charlotte Fall Leaf Collection -**

**November 20 - 24**

Each street is given a one-week timeframe when pickup will occur. Staff will not know exactly which day your leaves will be picked up, so make sure your leaves are raked to the curb by 7 a.m. on the Monday of your designated week. Depending on the progress, the City will pick up your leaves any day that week.

Leaves **MUST** be placed in the space between the sidewalk and the curb. They will not be picked up anywhere else.

See the [City of Rochester website](#) for questions, map and update on leaf collection progress or call 3-1-1.

### Have You Seen These Bicycles Around Ontario Beach Park?

These Bicycles are part of the Rochester Bike Share program that began in July, 2017. According to the [City of Rochester website](#), the program is operated by Zagster and there are 340 bicycles to rent and 46 bike stations located around Rochester. Riders use them by downloading the Zagster app to their smartphones and create an account. The cost is \$1 for 30 minutes.

Charlotte does not have a station at this time. These cycles were found by **Fred Amato** on the north side of the Robach Center.

Information on Zagster, go to [bike.zagster.com/roc/](http://bike.zagster.com/roc/).
