Charlotte Beautification Committee Kicks Off 2018 Season!

Did you know that there is a group of dedicated volunteers that maintain the flower gardens in Ontario Beach Park, along the river, and several large flower pots along Lake Avenue? The award-winning Charlotte Beautification Committee (CBC) led by **Linda Paruta**, Chairperson, is getting ready for another busy season!

On April 7th, the kickoff meeting will be held in the Ontario Beach Park Program Committee Office on the lower west wing of Roger Robach Community Center at 11:00 am. Come and meet other volunteers to learn more about the 2018 season.

On April 21st, at 8:00 am, the group will spread mulch on the median where Lake Avenue meets Beach Avenue. It's a quick job that will end around 9:00 or 9:30.

On May 10th, join corporate and neighborhood volunteers for the United Way Day of Caring, from 9-1 pm. Volunteers will spend "A Day at the Beach" and get the gardens ready for spring.

Volunteers are encouraged to "Listen to the waves of Lake Ontario and the sounds of seagulls as your team rakes, prunes, weeds and prepares 10-12 flower gardens in Ontario Beach Park for spring planting by the Charlotte Beautification Committee." Everyone is encouraged to help out, even if you can't commit to a full season of gardening. Meet in the Ontario Beach Parking Lot next to Harbor Hots at 9 am. Bring your gloves, rakes and

gardening tools. Contact **Donna Bour-Purdy** at ccanewsny@gmail.com for more information.

Linda is always looking for volunteers for the season. Please contact her at lpflowers2004@yahoo.com.

And please say *"thanks"* to them as you see them in the park, or along the river walk, pulling weeds and watering their gardens. 🌸

Charrette Report Is Now Available!

The final report of the Port of Rochester and Charlotte Community Charrette Day is now available on the CCA website: <http://www.charlottecca.org/community-development/charrette-process/>. This comprehensive, 88-page report is a documentation of the community-planning day that was held on November 4, 2017. It outlines the geographical area that was studied and provides a historic and present-day context for each of the six designated areas that were focused on within the study area. It also includes the ideas and original drawings that resulted from each of 12 different workgroups.

A new post-charrette steering committee of about 40 community volunteers has formed and will be working intensively over the next several months to create a new vision plan for Charlotte. The vision plan will be published and become the blueprint of what the community wants to see in development for the

study area. The work involves analyzing the charrette report to identify common and unique ideas, investigate feasibility and develop long- and short-term goals for making them become a reality.

Please follow the steering committee updates via the CCA website at <http://www.charlottecca.org/community-development/charrette-process/>. You can also share your feedback and ideas by contacting infocharlottecca@gmail.com.

New Executive Team at the Lighthouse

The Charlotte-Genesee Lighthouse Historical Society held its Annual Meeting on Sunday, March 4, 2018 at the Keeper's House and elected a new Executive team for 2-year terms and three Trustees to 3-year terms. They elected **Fred Amato, President, Jack Kemp, Vice-President and Kathleen**

Connor as Secretary, Mike May, Mark Cassetti and Sandy Pinkney were elected Trustees.

President Amato said his priorities over the next two years are to continue with improvements to the facilities and grounds; building up our membership and volunteers; increasing our yearly visitors and giving them an experience, they won't forget when climbing our refurbished Lighthouse Tower and seeing our Lighthouse, expanded Ontario Beach Park, and Marine History displays. They will also learn about the War of 1812 and how it affected the local community our International Peace Garden. With the help of our Board of Directors and volunteers we will make our visitors welcome to this Landmark in the Charlotte Community.

We look forward to welcoming the Community, United States and International guests and visitors between April 6th thru October 28th, 2018 between 1:00 pm and 5:00 pm.

2018 Scholarship Announcement - Attention Graduating High School Seniors!

It's that time of year again as college-bound seniors start their search for financial aid.

This year the **Charlotte Community Association (CCA)** is pleased to announce that two scholarships will be awarded to college-bound students who are residents of the Charlotte community or attend the Leadership Academy for Young Men.

The Association will award one \$2,000 award which is made possible through community fundraising and membership donations.

Another award of \$2,000 is provided by a fund created in memory of **Edward Watson**, a Charlotte resident and former Charlotte High student.

The requirements for both scholarships are the same

and will be coordinated by the CCA Scholarship Committee. The college-bound senior must either reside in the Charlotte neighborhood and attend any school, public or private, OR attend the Leadership Academy for Young Men (formerly Charlotte High School).

For many years the Charlotte Community Association has offered scholarships to students who qualify based on academics, community service and extra-curricular activities. We are pleased to continue this tradition as well as help facilitate with the **Edward Watson Scholarship**.

Applications will be available for both scholarships at the Charlotte Branch Library and online at the CCA website (charlottecca.org).

Foodlink: "Just Say Yes" to Fruits and Vegetables Program

Beatrice Place will serve as a host site for Foodlink's "Just Say Yes" nutritional education event. The class will feature a nutrition lesson and activity, a cooking demonstration, and healthy recipes to taste.

"Just Say Yes" to Fruits and Vegetables (JSY) Program began in New York in 1997 in order to provide nutrition education and obesity prevention programming to low-income clients of the emergency food network. The mission of JSY is to work with organizations that serve food to insecure populations to improve the health and nutritional status through promoting fruit and vegetable consumption, and empowering people to make healthy choices.

Date: 14 Session Series: 1st and 3rd Tuesdays starting January 16, 2018 thru August 7, 2018

Update: New York State Assembly Joe Morelle

New York State Executive Budget
Presentations

Gun violence is a scourge plaguing communities throughout our state and nation, devastating countless families and individuals both young and old. Never has the demand and need for common-sense gun safety been greater.

That is why I was proud to join my colleagues in the State Assembly in passing critically needed gun reform legislation that will strengthen background checks, prevent convicted domestic abusers from purchasing or possessing a firearm and prohibit the sale and possession of bump stocks. These actions are strong steps forward in our fight to break the cycle of gun violence and create a safer New York for all who call our great state home.

Where: Rochester Animal Services Center
184 Verona St
Rochester, NY 14608

I hope you will take advantage of both of these great events that I am proud to be bringing to our community!

Katrina Korfmacher, PhD, is the Director of the Community Outreach and Engagement Core at the University of Rochester's Environmental Health Sciences Center and Associate Professor in the Department of Environmental Medicine. She has done a great deal of work with the City of Rochester, particularly in the area of lead-paint poisoning prevention. Thanks to her work and her continued commitment to the City, she has also helped us keep an eye on the environmental health impacts of many of our major projects, including our new Local Waterfront Revitalization Program (LWRP) and what will likely be an outgrowth, the "Roc the Riverway" project.

Dr. Korfmacher invited me to participate in a Health Impact Assessment in 2013, which looked at ways that Rochester's LWRP and riverfront redevelopment could promote community health. Examples included:

- ◆ New "green infrastructure" designed to capture storm water, can both reduce pollution in our river and beaches and provide spaces for physical activity during dry weather.
- ◆ Trail development design and signage can maximize access by low-income neighborhoods, providing a free transportation and exercise resource.
- ◆ Public education about safety in all projects that promote use of the river can reduce risk of injury.
- ◆ Enhancing waterfront gathering spaces increasing public access (both visual and physical) to the waterfront for people of all abilities can help build community connections and reduce stress.

"Taken together, obesity, cardiovascular disease, stroke and diabetes are the leading causes of death in Monroe County and are of particular concern among low-income residents in the City of Rochester," Korfmacher says. "Changes along the waterfront may affect the health of people who live nearby, those who visit the waterfront, and the general population by impacting their opportunities to exercise, access to active transportation, changes in physical safety, and places to come together as a community."

I am looking forward to working with Dr. Korfmacher and other public health advocates to ensure that the enormous potential of Roc the Riverway and the LWRP is shared with all of our residents.

Charlotte High Graduate Honored with Women of Excellence Award

Stephanie Fowler Benson

Stephanie Fowler Benson, a graduate of Charlotte High School and Partner/COO of Edgemere Development Inc., was selected by the *Rochester Business Journal* as an inaugural Women of Excellence recipient.

Established this year, the Women of Excellence awards recognize 34 high-achieving women for their career accomplishments, community involvement, leadership and sustained commitment to mentoring. Winners were selected by the editor and publisher of the *Rochester Business Journal*.

"This year's Women of Excellence honorees inspire those around them through their actions, words and deeds. They have achieved personal

success, but they also contribute to bettering the communities in which they work and live," said **Suzanne Fischer-Huettner**, publisher of the *Rochester Business Journal*. "Their commitment to mentoring the next generation while also balancing the many facets of their busy lives makes them role models for all. The *Rochester Business Journal* is honored to recognize their accomplishments."

The Women of Excellence awards will be presented Wednesday, April 11, at an awards celebration from 5:30 to 8 p.m. at the Joseph A. Floreano Rochester Riverside Convention Center, 123 East Main Street in Rochester.

Congratulations, Stephanie!

Do you know someone from Charlotte that you'd like to recognize for their achievements and contribution to the community?
