## Attention Graduating High School Seniors! 2018 Scholarships Available!

2017 Scholarship Award Recipients *Sophia Cavacos* and *Gillian Harrington* and families

It's that time of year again as college bound seniors start their search for financial aid.

Applications are now being accepted and the deadline is **June 30<sup>th</sup>**!

For many years the **Charlotte Community Association** has offered scholarships to students who qualify based on academics, community service and extra-curricular activities. Once again, two scholarships will be awarded to college bound students who are residents of the Charlotte community or attend the Leadership Academy for Young Men.

The Association will award one \$2,000 award which is made possible through community fundraising and membership donations.

Another award of \$2,000 is provided by a fund created in memory of

**Edward Watson**, a Charlotte resident and former Charlotte High student.

The requirements for both scholarships are the same and will be coordinated by the CCA Scholarship Committee. The college bound senior must either reside in the Charlotte neighborhood and attend any school, public or private, OR attend the Leadership Academy for Young Men (formerly Charlotte High School).

Applications will be available for both scholarships at the Charlotte Branch Library and online at the CCA website ([charlottecca.org](http://charlottecca.org)). Please direct any questions about the application process to **Brian Labigan**, Scholarship Committee Chairman, at 585-943-7197, or email at [blabigan@frontiernet.net](mailto:blabigan@frontiernet.net).

## Charlotte Community Vision Plan Work Is Underway!

by Sue Roethel

The CCA's new Community Development Committee is working intensively to create a new vision plan for Charlotte. The vision plan will become the blueprint to show the City and potential developers what the community wants for the future of the Port and surrounding areas. The committee's initial work involves analyzing the results of the community design charrette that was held in November 2017. As common and unique ideas

emerge, the group will investigate the feasibility and develop and long- and short-term goals for implementing them.

The full charrette report, prepared by the Community Design Center Rochester (CDCR), is posted on the CCA website: <http://www.charlottecca.org/community-development/charrette-process/>. You can follow the committee's monthly updates there. You can also share your feedback and ideas by contacting [infocharlottecca@gmail.com](mailto:infocharlottecca@gmail.com).

## Volunteer Meeting Spurs One Person to Act!

**Barbara Lake**

In March, the CCA Board held a Volunteer Training session at Hose 22. The purpose of the meeting was to bring together volunteers – current and new – to meet one another and discuss opportunities to get involved.

Out of that meeting, a new volunteer, **Barbara Lake**, stepped up and into a Committee Chairperson role for the CCA Governance Committee.

Barbara is a new Charlotte resident, closing on her home just one year ago. She works two jobs, one in ministry and the other in healthcare regulatory and pay-for-performance measures. She loves to garden and work on her house, walk the beach boardwalk (even in 37-degree weather!), listen to music (loves the concerts in the park) and frequents the farmers' market. Barbara likes to cook and bake and says that "Engine 19 and my neighbors are frequent recipients of my culinary creations." She loves the water and used to fish and even plans on entering the fishing derby this year!

True to the statement that "if you want something done, give it to a busy person", Barbara currently volunteers as the Regional Vice President for the St. Vincent de Paul Society.

Barbara became involved with CCA because she believes that "we must be the change we wish to see" and come to the table with the intention to "agree to disagree"; to find the common ground to work on elements that lead us closer to our goals. "I was deeply active in my community in Arizona and missed the interactions with other like-minded individuals that became close friends. Since I am new to the area, I initially attended the charrette to learn more about the area and what the vision was... After attending I saw such passion in the room, not from the political leaders but rather from the people of the community... It did my heart a world of good to interact with those there and I made the decision at that event to continue."

Barbara believes that Governance correlates with the regulatory environment, which is an area she is interested in as it often is the foundation that speaks to sustainability. Non-profit community filing of 990's and the paperwork that is a part of it – making sure that compliance measures are met. Additionally, she has a background in Marketing and agreed to look for future advertisers (revenue generation as well as expand our market through other businesses).

The CCA will hold more Volunteer events during the year with the goal to attract more volunteers like Barbara. If you are interested in getting involved – at any level – please send a note to [membershipwithcca@gmail.com](mailto:membershipwithcca@gmail.com), or leave us a message at 585-865-6101.

The CCA FUNraiser, Painting with a Twist, scheduled for May 20th has been cancelled due to lack of participation.

## CYAA 65<sup>th</sup> Season Begins! Here's a preview...

By Brian Labigan

**W**ell, baseball fans, the Charlotte Youth Athletic Association kicked off its 65<sup>th</sup> season with a full roster! I'm happy to report that 180 boys and girls (ages 4-16) and their families are lined up for a fun-filled baseball season. Starting with registration in March and team development in April, the teams will begin their regularly scheduled games in early May. They'll play twice a week, Monday-Saturday between 6-8pm (twice a week) until the beginning of July. Be sure to take in a game or two at the fields at the end of Hinchey Street!

In addition to playing games, the players will be able to participate in a Skills Challenge day, on the first Saturday in June. Each age group tests their hitting, throwing and running skills. The top 3 finishers in each skill get a 1<sup>st</sup> 2<sup>nd</sup> or 3<sup>rd</sup> place medal. Everyone is treated to lunch provided by the **CYAA** and our friends at the Ontario Beach Park Program Committee (**OBPPC**). The **CYAA** also partners with the **Rochester Red Wings** for players and families to watch a Saturday night game in June, when they walk on the field prior to the game and see fireworks after the game. The season wraps

up at the end of June with a Trophy and Pizza night., with pizza donated by **Wegmans**.

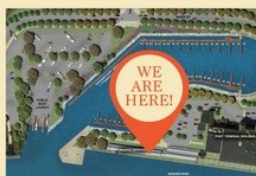

A big thank you goes out to the **City of Rochester**, **Senator Robach**, **Monroe County** and many others that provided funding and support for the completion of a concession/bathroom/storage building to help centrally locate equipment and provide a means for fundraising as well as a replacement for the Porta-Johns we used for many years. In addition, thanks to our network of dedicated **parents**, **volunteers** and **team sponsors** and **benefactors**, both public and private. Their donation of time, effort, monetary, and in-kind support to the children is indeed commendable. The overall viability of the **CYAA** depends on all these partnerships. Future plans include home-run fences and more site upgrades.

**State Budget Delivers for Families**

**A** sound budget is one that makes New York a better place to live and raise a family. The 2018-19 State Budget reflects my commitment to ensuring our families have the space and opportunities to thrive by:

- ◆ Providing more than \$3.7 billion for critically important property tax relief, including STAR and Enhanced STAR (\$2.739 billion), and property tax relief checks (\$1 billion);
- ◆ Stopping the Governor's proposal to cap the growth in STAR, a move that would have cost homeowners approximately \$50 million;
- ◆ Protecting New Yorkers from \$1.5 billion in potential tax increases that due to recent federal tax law changes;
- ◆ Blocking \$20 billion in multi-year tax hikes proposed by the Governor and Assembly Democrats;
- ◆ Preserving the landmark middle-class income tax cut championed by Senate Republicans, saving approximately \$4.2 billion;
- ◆ Delivering a record \$26 billion in school aid;
- ◆ Maintaining a record-high level of funding, \$300 million for the Environmental Protection Fund;
- ◆ Making college more affordable for middle-class families;

**Update: New York State Assembly  
Joe Morelle**  
**See next update in June**

- ◆ Providing record funding to combat heroin and opioid addiction;
- ◆ Investing in women's and family health initiatives, as well as fully funding the EPIC prescription drug program to assist seniors with their prescription costs;
- ◆ Making essential investments in highways, roads and bridges, boosting our local economies and enhancing our quality of life; and
- ◆ Stopping onerous cuts to local nursing homes, hospitals and community health programs, while also securing hundreds of millions of dollars in new capital funding for local facilities.

Our families deserve a New York that's more affordable, safer and provides more opportunities for our residents to succeed.

### Update: Molly Clifford Northwest City Council Member

The Nuisance Abatement Program (the "points" system) was created in 1985 to give the City better tools for dealing with properties that were long-term, significant neighborhood nuisances. It has been used with varying levels of success since then; however, last year the City lost a case in State Supreme Court that forced us to make some changes to the legislation in order to make it more effective.

The Court held that the City could not hold property owners responsible for illegal activities taking place at their properties without greater opportunity for them to defend themselves. Given that there have been other complaints about the program since its inception, the City took the opportunity to make additional changes.

Legislation to amend the law came before Council in April and does the following: allows property

owners additional hearing opportunities and the City additional options to allow waivers should owners comply; changes the point structure to give greater weight to weapon and drug sales; creates a Citywide Nuisance Advisory Board to make recommendations to the City on significant nuisance cases; and streamlines City processes around nuisance points and municipal code violations.

While many of these changes are necessary to ensure the law can stand-up in court and the program is an effective neighborhood tool, it is not a perfect system. Neighbors have a right to enjoy their properties free of major nuisances and the City must continue to do everything it can to deal with problem properties in as quick and fair a manner as possible. You can find out more about the Nuisance Program at <http://cityofrochester.gov/NuisancePointsMap/> (note that the website will need to be updated in light of the new program; check back if it is not up and running).

## Welcome to Charlotte ...

### 75 Stutson Street !

*By Rhonda Bruce*

**M**y husband (Tom Bruce) has purchased the former Lakeside Presbyterian Church, now known as **75 Stutson Street** (#585-615-4551) so he can have something to do in his retirement. Actually, it's always been a dream of his to start a music venue, he's a trumpet player and found a lack of music centers catering to a wide variety of musical needs.

The **Bruce Music and Theatre Academy** (#585-750-7588) is now located in the church. The original Bruce Music and Theatre Academy started in 1954 by Tom's mother, Mary Ann Bruce. It is now owned and operated by our daughter, Wendy.

Lessons are available in piano, voice, flute, guitar, stage presence and acting. Music teachers of other instruments will be added as needed. Concerts and recitals for the studio will be free to the community.

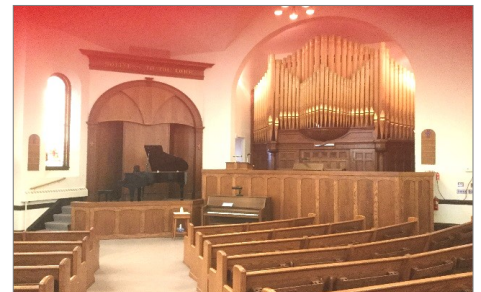

We are also home to the **All In Band Brass Band**, kids mentored by adult musicians, the brainchild of Tom Allen, Director (#585-746-4181). The group has played for Honor Flight, many fund raisers, the Park Avenue Festival and marched in the Lilac Parade. They rehearse Saturdays from 11 A.M. to 1 P.M. As the name implies, all are welcome to join.

**Lakeside Early Learning Center** remains housed at our location and will going forward.

Any community events are welcome, if you want to hold a fund raiser for your organization or put on a show, let us know. We offer a wedding venue and have rehearsal space available for bands or other groups.

Going forward we would like to have musicals and plays on our stage, karaoke nights without alcohol, and a sock hop night for us retirees.

Stop in and meet us!

**New York's Holy History** (1st Thursdays Local History Series) - Thursday May 3, 2 pm. Did you know upstate New York was a center of religious activity during our country's first 150 years? You may be aware of the Latter Day Saints and the Spiritualists but that's only the tip of the iceberg. Plenty of other religious movements were founded in Western New York. Presenter **Jack Kowiak** will tell us about this fascinating history and how our regional spiritual ferment went on to influence the entire nation. Adults

**Senior Living Explored** - Saturday May 12, 10:30 am. Considering a change in your living arrangements? Explore what's

available and what might be the best choice for you. A number of possibilities will be explained and discussed, including independent, assisted, enhanced, and memory care options. Celebrate Older Americans Month by re-envisioning your future! Call 428-8216 to register. Adults

**Food for Thought Book Discussion Group** - Tuesday May 15, 1 pm. We'll discuss Commonwealth by Ann Patchett.

"Commonwealth explores how a chance encounter reverberates through five decades and the lives of the four parents and six children involved. It's a brilliant and tender tale of the far-reaching ties of love and responsibility that bind us together" (book jacket). This will be our last book club meeting of the season and we'd love to have you join us for some great conversation. Adults.

**Organizing for the Future** - Wednesday May 16, 5:30 pm. Does that doodad still serve its purpose? Do I really need three whatchamacallits? Learn the skills needed to become a proactive decision maker regarding your possessions. This program will provide strategies for reducing and relocating possessions that no longer serve a function in your life. Special emphasis on Seniors considering relocating. Call 428-8216 to register. Adults.

**Foam Block Printing** (Crafts for Adults Series) - Tuesday May 29, 1 pm. Creating prints from craft foam is easy and fun! Even simple designs produce stunning results. You'll learn how to produce your own foam stamps, then use ink and brayers to create bookmarks, notecards, and tags that you can take home. You'll even have a chance to try linoleum printing. All materials provided. Registration required. Call 428-8216 to sign up. Adults
