### Shaw Named CCA Secretary

The CCA Board named **RoseMary Shaw** to the position of Board Secretary in June.

RoseMary succeeds **Sue Roethel** who has been Board secretary since 2015. Sue has spent many days and nights leading the Charlotte Community Development Committee through the Charrette and now the Visioning process to ensure our community voice is documented and heard for Charlotte's future development. Sue will remain on the Board as Director and will now be able to focus on the Vision Plan.

RoseMary Shaw

*The Board sincerely appreciates Sue's efforts in both of these leadership roles and is grateful for RoseMary's willingness to step into the Secretary position.*

When RoseMary moved to Charlotte in 2016 she knew she wanted to become involved in the Charlotte Community Association in a way greater than just being a member. She waited for the right thing to come along and in June was appointed by the board to fill the vacancy for Board Secretary. RoseMary will complete that term and will run for re-election in November, 2018.

RoseMary is now retired but, in another life, she graduated from Alfred State College, attended RIT and concentrated on Money and Banking and Cost Accounting. She formerly worked at RT French and after a hiatus to raise children, went to work for PetSmart retiring as a Call Center Manager. Along with that she and her husband were antique

dealers for 35 years. Currently she works casually for a household sale company, which allows her to still enjoy her love all things antique.

RoseMary explains, "I grew up in rural Cattaraugus County New York; it was considered your duty to be involved in church or volunteer efforts. I have always tried to help where I can, working on the Town of Clarkson Master Plan committee, chairing a part of the town's good neighbor days, serving as leader of the local political organization and State treasurer for a women's organization. Now I look forward to helping the Charlotte Community become even stronger."

## Welcome (Back) to the North West, Lieutenant Rich Waldo!

As of July 5th, the Northwest has a new Lieutenant, **Lt. Rich Waldo**, who replaces **Lt. Mark Mura** who has been transferred to a new role. We thank Lt. Mura for his service to the Northwest community and are looking forward to meeting Lt. Waldo at one of our upcoming meetings! Lt. Waldo is in his 19th year with the Rochester Police Department (RPD). During that time frame he spent the majority of his time in the Patrol Division. He worked in the old Maple section, West Division, East Division, and the Clinton Section. Most of those years were on patrol during third Platoon hours (3pm-11pm). Before coming to this new assignment, he was most recently the Commanding Officer of Clinton 3rd Platoon and Clinton 2nd Platoon. He is excited to be back in the neighborhood, where he started his career, to be the Lieutenant for the NW NSC Office and part of the newly created Community Affairs Bureau.

Lt. Waldo was born and raised here in the City of Rochester. He grew up on Hazelwood Terrace and participated as a youth in POP Warner football and played for the Rochester Rams. He went to city elementary schools and graduated from McQuaid HC. After college, he joined the US Army and served six years on active duty. Upon leaving the military, he utilized his college education and taught high school mathematics at Edison Tech and John Marshall. He joined the RPD in 2000 and "the rest is history." "I am excited to work with you and to continue our efforts making our neighborhoods vibrant and safe."

## EDWARD WATSON MEMORIAL SCHOLARSHIP/ CHARLOTTE COMMUNITY ASSOCIATION SCHOLARSHIP 2018

The Charlotte Community Association is pleased to announce the 2018 recipients of the \$2000.00 Edward Watson Memorial Scholarship and the \$2000.00 Charlotte Community Association Scholarship, each awarded annually to a Charlotte area high school senior or a Leadership Academy for Young Men (formerly Charlotte High) senior who is planning to attend college in the fall with the purpose of helping young men and women in the community further their education.

Congratulations to the two recipients: **Lucy Farnham**, daughter of **Carla and James Farnham** of Freemont Rd. and **Travasia Singletary**, daughter of **Roberta Singletary** of Cheltenham Rd. Lucy will be attending the University of Rochester majoring in Japanese Language. Travasia will be attending the University of Buffalo majoring in Physical

Therapy.

The Edward Watson Memorial Scholarship is given in memory of Edward Watson, a Charlotte resident and former student of Charlotte High School, and is funded by donations provided by the former congregants of the Lakeside Presbyterian Church. The Charlotte Community Association Scholarship is funded by donations and various fund raising events throughout the year.

The criteria used to determine the recipients of both scholarships are the same; the college-bound senior must reside in Charlotte or attend The Leadership Academy for Young Men (formerly Charlotte High) and, additionally, are based on academics, extracurricular activities, community service, honors received, letters of reference and, finally, a short essay from the applicant. The Scholarship Committee assigns a weight to each of these categories and independently scores each application.

*We congratulate Lucy and Travasia and thank all of the young men and women who took the time to submit an application. There is a lot to be proud of in Charlotte,*

### Fall Preparations at Creative Beginnings-Lakeside!

We are busily preparing for the upcoming school year at Creative Beginnings-Lakeside (Formerly Lakeside Child and Family Center). We are trying to build our fall enrollment so that we meet our capacity; you will often see our staff out in the community at events handing out fliers. We currently have one classroom that is Early Pre-K (EPK), for qualifying city children who will be 3 by December 1st which is full. We have several openings for our Universal Pre-K (UPK) program at this time. If you know anyone who has a child, lives in the city of Rochester and will be 4 by December 1st, please send them down to our center to register today. Take advantage of the amazing experience of being a part of our program through parent-engagement activities, holiday gatherings and a wonderful sense of community that our center has with our families. We are also hoping to provide wrap-around care to the families as an added service.

Universal Pre-K is a program offered at Creative-Beginning Lakeside and funded through the Rochester City School District. The classroom offers a ratio of 3:18 with an early-childhood certified teacher and two assistant teachers. The classroom teachers have over 13 -years of experience in a preschool setting and the assistant teachers all have a Childs Development Associates.

We implement a High Scope early childhood education approach that is beneficial for a preschool setting and supports kindergarten readiness. This curriculum focuses on problem solving, routine, social emotional interactions, ELA and Math. We build on learning opportunities by extending children's thinking/reasoning through open-ended small group activities. These engaging, rich activities are based off the children's interest and what they already know. Our goal is to build on that and take their learning to the next level.

We are currently enrolling for the upcoming school year! Please contact **Cristin Cook** for further information at 585-663-3670 to set up a tour today at 75 Stutson Street.

## CYAA Completes its 65th Season!

*By Brian Labigan*

**W**ell, baseball fans, the Charlotte Youth Athletic Association (CYAA) 2018 season (its 65<sup>th</sup>) is in the books. I'm happy to report that 180 boys and girls (ages 4-16) and their families were able to have a fun-filled baseball season.

Just to recap, the kids and parents registered in March. Players reported to the fields in April and a player age groupings and skills were matched into matched teams. Each player received a uniform: a hat, jersey and baseball socks (parents supplied baseball pants). Games were held Monday-Saturday from early May to the beginning of July.

Players participated in a Skills Challenge day of hitting, throwing and running in June. Medals were awarded. Lunch for players and families was provided by CYAA and our friends at the Ontario Beach Park Program Committee (OBPPC). The CYAA also partnered with the **Rochester Red Wings** to sell tickets to players and families to watch a Saturday night game in June at Frontier Field, where the kids walked on the field prior to the game and saw fireworks after the game.

Many thanks go out to our network of dedicated parents, volunteers, team sponsors and benefactors; both public and

private. Your donation of time, effort, monetary and in-kind support to the children are indeed commendable. The overall viability of the CYAA depends on these partnerships.

Our concession/bathroom/storage building was in full operation for the start of 2018 season and was a big hit, as it provided much needed storage capacity, clean bathrooms and a low cost meal and snack alternative for families. Again, many thanks to all who contributed either monetarily or in-kind to make this project a reality. Future plans include home-run fences and site upgrades. If you are interested in making a donation, our address is: **CYAA PO Box 12524 Rochester, NY 14612**. We are a Federal and NYS recognized 501c3 organization and all donations are tax deductible. Please visit us on **Facebook** or our website: [www.cyaa-baseball.com](http://www.cyaa-baseball.com).

Joe Robach**  
**Drug Take Back Act Becomes Law**

**N**ew York has an opioid epidemic demanding attention now. Communities, law enforcement, elected officials and pharmacies holding special take-back days is just not enough. More aggressive efforts to curb the tide of opioid addiction are essential.

That is why I am pleased that legislation that I supported in the Senate to create the "Drug Take Back Act" was recently signed into law.

The new law establishes a unified statewide drug take-back program that will reduce medication misuse and save government and taxpayer money. It will also provide significantly more opportunities for New Yorkers to ensure the safe disposal of unused drugs.

Specifically, the "Drug Take Back Act" will hold pharmaceutical manufacturers responsible for all costs of the take-back program, ranging from public education and awareness to drug collection, transport and destruction. The Act will further require chain pharmacies and mail-order pharmacies to provide consumers with collection options including drop boxes and prepaid mail-back envelopes.

Providing New Yorkers with safe and accessible disposal methods will help prevent addiction, which often starts with misuse of unused medications. This new law not only helps address the opioid epidemic, it makes sure all medications are properly disposed of and do not contaminate our water supplies.

**Update: New York State Assembly  
Joe Morelle**  
**New DMV Downtown Office**

**I**n case you missed it, last month I joined with **Rochester Mayor Lovely Warren** and **Monroe County Clerk Adam J. Bello** to announce that we reached an agreement to bring the first full-time Department of Motor Vehicles (DMV) Office to Downtown Rochester in 15 years.

I am particularly excited and proud to have had the opportunity to secure \$425,000 in State funding that helped pave the way for this announcement and make such a worthy project possible.

The fact is that DMV services remain as essential today as ever before and it is critical that we are making these services as accessible and widely available in our community as possible. There is no doubt that a downtown DMV will enhance Rochester's quality of life for many years to come.

The new full-time Downtown DMV Office will be located at 200 E. Main St., conveniently co-located with the City of Rochester's Parking Violations Bureau and the Rochester Traffic Violations Agency, which will make it easier for customers to take care of several motor vehicle tasks in a single trip. The Office will also be in close proximity to a new U.S. Social Security Office, the Mortimer Street Parking Garage and the Regional Transit Service Transit Center.

Expanding access to DMV and other government services for our neighbors living in the city goes to the core of what our mission as public servants is all about – improving services and enhancing programs that enable families and individuals to grow and thrive.

I am looking forward to celebrating with all City of Rochester residents the Downtown DMV grand opening in the very near future.

**Update: Molly Clifford**  
**Northwest City Council Member**  
 New RPD Lakeside Headquarters

**B**y now I hope you've heard about the plans to build a new Lake Section headquarters for the Rochester Police Department at the corner of Lake Avenue and West Ridge Road, the old Piehler parking lots. This means that the Lake Section of the Patrol Division will move from 1099 Jay St, as will the Northwest Neighborhood Service Center (NSC) and its police and civilian employees, who are moving from 71 Parkway.

As many of you know, the plan to establish RPD section offices has been around for awhile. This turned out to be "easier said than done," due to the fact that the space requirements for the police officers, staff, cars,

technology, etc. are large and complex. The new building will sit on three acres, with 17-18,000 square feet of office space and parking for 150 cars.

This will bring the NW NSC and Lake Section to a more central location in the Northwest Quadrant and will be much more accessible to the public than the current configuration. While there are still outstanding questions about the potential impact on traffic, the timing of the construction, design, etc., this is great news for Northwest residents.

This is the beginning of the project and there will be more opportunities for public input along the way. This is another significant step in the redevelopment of the area in and around the Eastman Business Park and is exciting for the Northwest Quadrant and Rochester as a whole!

**CCA Board Elections:** The CCA nominating committee is accepting nominations for **President, Secretary** and **4 Directors** for two year terms starting 1/1/19. Send to [ccanewsny@gmail.com](mailto:ccanewsny@gmail.com) or mail to the Charlotte Community Association, P.O. Box 12768, Rochester, NY 14612 by **September 10<sup>th</sup>**.

## Charlotte Beautification Committee

**T**he Charlotte Beautification Committee (CBC) is wrapping up another challenging year. Volunteers not only had to deal with the heat, but with the theft of many flowers. The committee decided to create a sign to place in each of the gardens in Ontario Beach Park and elsewhere in Charlotte, in the hope that people will think twice before stealing plants from the gardens. Thanks to **The Signery** on Stonewood Avenue for designing the new signs and also to **Len Lyons**, CBC volunteer, for purchasing the signs.

**Linda Paruta**, committee chairperson for the past 11 years, would like to thank the many volunteers, as well as the Monroe County Parks staff who helped to water the gardens and planters in the Abbott's parking lot. In

addition to securing the plants from Monroe County and the City of Rochester, along with funding from the Charlotte Community Association; **Linda**, herself, plants and maintains all

of the large flower pots along Lake Avenue as well as several others in the park and in Charlotte. This is a huge undertaking and many thanks to **Linda** and her husband **Doug** for their efforts.

Volunteers are needed to maintain these gardens. Plants and mulch are provided by the Charlotte Beautification Committee. All you need to become a volunteer is some time and a shovel. If you are interested to help close out this year, and dig into next year, please contact Linda Paruta at 621-6406, or email [lpflowers2004@yahoo.com](mailto:lpflowers2004@yahoo.com).

### CCA Annual Picnic!

CCA celebrates 55 years of service to our community! Neighbors came together for the annual CCA picnic at the new 75 Stutson Street venue on

Monday, August 6th to

celebrate our 55th Birthday. On January 11, 1963 CCA was incorporated with the State of New York and has been tirelessly working to make our community a vibrant place we all call home.

Thank you to **Tom and Rhonda Bruce** at 75 Stutson for hosting this event.

We are blessed to have this community-minded neighbor.

The past 55 years could not have been possible without the support of our community, sponsors and members. We will continue this celebration at the **3rd Annual Best of Charlotte** to be held on Sunday, **December 2nd, 2018 from 2 PM to 6 PM at the Roger Robach Community Center**. There will be plenty of great food, wine, raffles, music and, of course, cake. You can purchase your tickets online at [charlottecca.org](http://charlottecca.org) or at the door and if you would like to volunteer on the fundraising committee, please contact us at [infocharlottecca@gmail.com](mailto:infocharlottecca@gmail.com).

### July Clean Sweep!

On July 27th, a much needed clean sweep was held at the river overlook at Stutson and River Streets. Members of the youth program at

Webster United Church of Christ removed a ton of over growth from the area, about six bags of trash and mulched several of the gardens.

### THANK YOU, THANK YOU AND THANK YOU!

These young men and women spent the entire week of July 23 working on different community projects throughout the Rochester region. They worked hard that morning and exhibited a strong sense of teamwork. We thank them for helping to clean up this hidden gem and for assisting our mini clean sweep team.

We also thank **Councilperson Molly Clifford** for her efforts, the **City of Rochester** for the truck loads of mulch and **Tammi Herron, Northwest Service Center Administrator**, for assisting with supplies.

### Lake Avenue Welcome Sign Update

On June 2nd, our flagship welcome sign to Charlotte was destroyed by a drunk driver; therefore, the association is faced with an untimely expense of about \$2,000.00 to replace the sign. Additionally, we will also need to replace the plants that surround the sign, as they were damaged in the accident. Subsequently, on August 8, to add insult to injury, the aluminum post that held the sign in place for many years was

stolen the night before the sign was to be reinstalled. Therefore, the Board of Directors has created a **gofundme.com** account to cover the cost of reinstalling the sign and replacing the post and plants.

We will continue to seek recovery these costs through our attorneys' efforts to seek reimbursement through the driver's insurance or private pay. Please don't drink and drive for the safety of yourself, your family, our residents and signs!

### National Night Out 2018!

On August 7<sup>th</sup>, residents and members of seven NorthWest neighborhood associations participated in the 35th Annual National Night Out against crime held in Ontario Beach Park. It was "A Night To Unite", take our streets back and show our appreciation for the public servants who keep us safe. The festivities started with a caravan from the NW RPD precinct at 1099 Jay Street through the NW neighborhoods and ended at Ontario Beach Park.

We would like to thank our sponsors for providing the following: **Sahlen's Packing Co. of Buffalo, NY** for donating **60 lbs. of hot dogs**, **Dr Pepper Snapple Group of Williamsville, NY** for providing 300 canned beverages for our summer time events and **RPD** for providing the cake! This type of summer events are not possible without the support of our sponsors.
