Peo Appointed to City of Rochester Nuisance Advisory Board

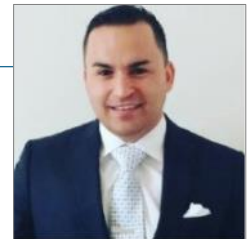

CONGRATULATIONS to CCA Vice President **Jose Peo**, who has been appointed by **Mayor Lovely A. Warren** to the new formed Nuisance Advisory Board. The City of Rochester was seeking volunteers to serve on the new Nuisance Advisory Board (NAB) and Jose answered the call. The board will meet monthly and will provide citizen guidance to the administration of the Nuisance Abatement Program. Earlier this year the NAB was established after City Council approved changes to the Nuisance Abatement Law.

"Under the program, a business or property in the city may receive points for violations that constitute a public

nuisance. Failure to correct nuisance activity after exceeding a point threshold may result in the closure of a business or property. This NAB will oversee a review procedure for property owners to appeal any points assigned to their properties." City of Rochester Press Release 8/14/2018.

Congratulations Jose and thank you for representing the CCA.

Essentials of Public Engagement

As we get ready to celebrate the New Year, I just wanted to take a moment to thank the Charlotte Community Association for all of the good work that has gone on during the past one. Recently, I attended a workshop entitled "Essentials of Public Engagement," hoping I could learn a few more things about how to get residents more involved in local government decision-making. What I learned was that CCA could have run the workshop!

While I'm being a little facetious, the overarching focus of the workshop – "Good engagement creates better outcomes" – is what I am really hoping will come true as it relates to Round 2 of the Port Development project. Thanks to the hard work of so many, the developers and decision makers cannot claim that they don't know what the Charlotte community wants for their neighborhood.

In defining a "good process," the following factors were identified: involve those who are affected or interested; help stakeholders understand the problem/opportunity at hand; ask stakeholders how they want to participate; inform them how they can influence the

decision; and communicate how input was used. All of those factors fully came into play during the charrette process and it will be up to the City Administration to show that they have listened and respected the community.

As we look toward 2019, I look forward to continuing to work with CCA and all of the Charlotte stakeholders to make it an even better place to live, work, visit and raise a family. I will be back to hosting monthly coffees in January and I hope you'll join me to catch up and let me know what's on your mind: 1/5 (Linda's*); 2/2 (LDR**); 3/2 (Linda's*); 3/30 (LDR**); 4/27 (Linda's*) and 6/1 (LDR**).

Best wishes to you and your families for a healthy
