Swept Away by Great Partnerships!

The Charlotte Community Association, Inc. (CCA) would like to THANK **Sgt. Eric Meister** and the **JROTC** program at the **Leadership Academy for Young Men (LAYM)** in Charlotte for their commitment to volunteer service in our community. These young men have partnered with the association for the past several years and CCA's most dependable source of volunteers in the community throughout the school year.

On June 12, 2019 with the help of a grant from the Rochester Area Community Foundation, the association partnered with **LAYM JROTC** program to clean sweep and make improvements to St. John's Park in Charlotte. The students designed and built a new flower bed around the Historical River Street sign in the heart of Charlotte and clear some overgrown shrubs in the park. The students also designed and built some benches and a table they presented to the firefighters at Engine 19 at 4090 Lake Ave. to show their appreciation for their service to our City.

The past few years Engine 19 has opened the firehouse on days that we have hosted joint clean sweeps. The students have learned about fire safety, had lunch with the firefighters and built relationships. These types of alliances, that bring students, community members and public servants to work together, advances the direction of caring and pride for our community that we hope to share with these students.

We are forever grateful to these students, firefighters and all participants. We are a stronger community because of partnership such as the ones we share with the students at LAYM and Engine 19. **We Roc Together!**

Thank You

LAYM-JROTC

The LAYM students designed and built these benches and table and presented them to the Firefighters.

Port of Rochester Development UPDATE

The CCA will continue to advocate for inclusion in the RFP and development planning process. The CCA's Community Development Committee continues to meet monthly to refine the community's vision for the future of the Port and surrounding areas.

Ontario Beach Park Performance Pavilion Renamed

The first Concert by the Shore of the summer was June 12. The crowd that gathered to enjoy **Nik and the Nice Guys** and also got another surprise. Monroe County Executive, **Cheryl Dinolfo** and County Parks Director, **Larry Staub** started the evening off with an announcement. They were there to celebrate the long-time commitment of **Jean and Joe Carrozzi** to the Charlotte Community and to Ontario Beach Park. The Carrozzi's have given over 30 years of volunteer service to the Ontario Beach Park Program Committee; Joe served as chairman for many years. To honor this lifetime of giving, the performance pavilion was renamed:

The Jean and Joe Carrozzi Performance Pavilion.

Congratulations and thank you Jean and Joe!

We appreciate all that you have done.

...that Neighbor in Neighborhood

Submitted by K. Karshick

Every spring, Ed, a committee of one, plants, weeds, and mulches the gardens he installed under the CHARLOTTE sign near the corner of Beach Avenue and Tamarack as well as two others along the curb.

Yesterday, I saw a volunteer weeding under the CHARLOTTE sign just before the bridge and, earlier in the spring, Joe and a friend were pruning the plantings in the dividers located at the corner of Beach and Lake. There are also several other volunteers who pitch mulch and plant gardens in the Ontario Beach Park and in the large pots along Lake Avenue. All are members of the Charlotte Beautification Committee.

These gardeners aren't looking for accolades, for their reward is in the blooming of these plantings.....and aren't we lucky to have caring people like them in Charlotte!

If you happen to see them quietly at work,
please thank them!

Update: Molly Clifford, Northwest City Council Member

"Dynamic Staffing" or "Brown-Outs"

June is budget time for City Council and, by the time you read this, a new City budget will have been passed. Without question, the budget for the Rochester Fire Department (RFD) drew the most criticism for the inclusion of cost savings realized by "dynamic staffing" or "brown-outs." As of this writing, I am hopeful that the opposition expressed by the public and many members of Council has led to a compromise that is acceptable to all.

City Council and **Mayor Warren** heard loud and clear the support for the RFD and the unwillingness to save money by putting citizens at risk. We are very fortunate to have a highly professional responsive fire department and we want to keep it that way. While Council was told that Engine 19 (the Lake Avenue fire house) would never be "brownd out" because of its location and the geography of Charlotte, there

was not enough confidence that Charlotte's back-up stations at Dewey & Ridgeway or N. Clinton would continue to be as available as they are now.

New Rochester Police Department **Chief La'Ron Singletary** was also confirmed in June. There is a lot of community support for Chief Singletary, thanks to the relationships he built as a Crime Prevention Officer in NET/Neighborhood Service Centers, and throughout his career. He was born and raised in the city and it was notable to read in his references the number of people who commented that he was "born to be Chief." I am optimistic that Chief Singletary will help lead the Police Department and the community through challenging times with honesty, respect and a steady hand.

Best wishes to you and your families for a happy and healthy summer!
