Message from the CCA President - Jonathan Hardin

I would like to thank CCA, our members, sponsors, partners, volunteers and the Leadership Academy for Young Men (LAFYM) Junior Reserve Officer Training Corps (JROTC) program for making this a GREAT YEAR. We have continued to service our community and build lasting relationships this year, while struggling to maintain board members and community volunteers. Please consider joining the board, a committee, or volunteer at the next event to talk to neighbors about joining the association. Volunteers are the back bone of this association!

We provided two college scholarships for \$2,000.00, contributed to the Charlotte Youth Athletic Association, maintained the banners throughout Charlotte while adding 12 new banners from Denise Road to Pattonwood Drive. The Beautification Committee volunteers maintained all the container pots and flower beds from Ontario Beach Park to our flagship "Welcome to Charlotte" sign on Lake Avenue near Riverside Cemetery. Your hours of volunteer service and financial support help us continue this yearly commitment to Charlotte.

Additionally, our partnership with the LAFYM's JROTC program blossomed in 2019. These young men designed, built and embedded a new planter box around the "Historical River Street" sign on Lake Avenue, trimmed back the growth in St. John's Park and built some new outdoor seating for Engine 19. We can't thank them enough.

The students managed and operated the Charlotte Water Station for the Rochester Marathon this past September. They also will be volunteering at the our December events: the Christmas Tree Lighting and the 4th Annual Best of Charlotte.

I recently met with the new **Principal of LAFYM, Dr. Djinga St. Louis** and we both agreed to continue and grow our partnership in 2020. Next year we will open CCA's community service opportunities to all students at LAFYM from 7th grade to 12th grade. We will also revisit the idea of a Community Sponsored Junior/Senior Prom or Dance at LAFYM next year; watch for more information.

Most importantly is the partnership that we have with neighborhood association in the Northwest quadrant and across the City of Rochester. This past year I had the pleasure of not only serving as President of CCA, but also the Chair of Rochester **Many Neighbors Building Neighborhoods (MNBN)**. Since 2016 this organization has served as an umbrella for neighborhood associations from all four (4) quadrants of the City of Rochester and our moto is "We are Stronger Together".

This year MNBN reviewed the 2019/2020 Budget and started sounding the alarms about the pending "Brownouts" or closures of Fire Houses across the City. We took our fight to City Hall, the Rochester Fire Department, City Council, the Media and ultimately to the streets in

Community Development Committee Annual Report

The CCA's Community Development Committee, co-chaired by **Sue Roethel** and **Lindy Litwak**, has been active all year, meeting monthly with a core group of very dedicated volunteers. The committee continues the work of refining the Charlotte Community Vision Plan that sprung from the charrette (planning day) held in November 2017.

Among the committee's projects are several simultaneous investigations into the various ideas presented in the Vision Plan, such as installing a public ice skating rink, boutique hotel, and maritime museum/aquarium/education center; expanding lake and river cruises and adding water taxis; offering year-round activities; and improving transportation options and traffic flow. Several subcommittees formed to explore funding and partnership opportunities to grow these ideas into reality.

One such subcommittee monitored the City's Request for Proposals (RFP) for development at the Port of Rochester, which invited potential developers to reach out to the CCA. So far the team has met and/or corresponded with three developers and provided the City with feedback. As the RFP process continues, the committee will actively seek to engage potential developers and share the community's vision for development of the Port.

Another subcommittee reached out to CSX about the disposition of the railroad tracks and the possibility of repurposing them for trolley service into Charlotte. The team learned that there are no plans to abandon the land that the tracks currently sit on, and they won't allow any trains on their tracks other than their own. A CSX train makes deliveries to Boxart businesses twice per week, but

they will not be running trains north of that.

A subcommittee engaged in the development of the City's Comprehensive Plan Roc 2034. Members attended public meetings in June, and then sent a letter to the City in August with feedback.

Another subcommittee reached out to the City to learn more about the proposed project to perform maintenance work on Lake Ave. north of Pattonwood Dr. The project is still pending.

A subcommittee met with NYS Senator Joe Robach and then with the Director of Monroe County Parks Department about refurbishing the Roger Robach Community Center and winterizing parts of Ontario Beach Park for year-round use. Of particular interest is creating an ice skating/roller skating rink, basketball courts, and establishing an annual Fall international bazaar.

Another subcommittee has investigated what other waterfront communities are doing. An outreach to Hart Hotels, a family owned business based in Buffalo, is awaiting a reply. They have hotels in Clayton, Watkins Glen and Canaseraga that are low-profile and boutique style. The team also learned that a national marine sanctuary, as well as an indoor water park on Lake Ontario, are two projects that the City of Oswego is building as part of its Downtown Revitalization Initiative.

Other ongoing investigations are the potential for cruise ships, pedestrian ferry service, and Seth Green (aquaculture).

The Community Development Committee will continue to meet monthly in 2020 as well.

the form of protest. Thankfully the public was on our side and with public pressure mounting **Mayor Warren** reversed this dreadful practice. Partnerships like the one CCA has with MNBN is imperative for the safe and security of our communities.

Additionally, we partnered with associations and organizations from across the NW and City to host many functions this year. We partnered with the Falleson Block Club, Edgerton, Lyell-Otis, Maplewood, Westside, Josana/CHNA Neighbors, People of Dutchtown, Lock 66 N.A., PLEX N.A., Lexington Avenue Community Farm, MNBN, La Cumbre, North East Neighborhood Community Council, Ontario Beach Park Planning Committee, Engine 19, LAFYM, 75 Stutson Street and the Charlotte Branch Library.

With these important partners we were able to host or take part in the 2019 Winter Festival, Kite Flight, National

Night Out Against Crime, Edgerton Outreach, City Living Events, the Charlotte Branch Library Centennial Celebration, the Falleson Block Party, hosted two Meet the Candidates' Night, a fundraiser for LAFYM, 2019 Rochester Clean Sweep and several Mini-Clean Sweeps. But most importantly, the CCA Community Development Committee has continued to meet bi-weekly to make updates on the 2018 Vision Plan. CCA hosted or attended over 214 meetings or functions in 2019.

Next year, we will focus on the re-branding of CCA, building our membership and sponsorships. We will also grow our plan of work with the LAFYM, School 42 and Rochester City School District.

We ask that you, your neighbors and friends join CCA and help strengthen our commitment to giving back to our community. We can accomplish great things for Charlotte when we work together!

Thank you for your continued support!

Message from Dr. Djinga St. Louis – Principal of Leadership Academy for Young Men

Dr. Djinga St. Louis

Greetings! The 2019-20 school year has ushered in changes in building leadership, a shift in the vision and mission, and a laser focus on academics as a result of the school falling to "Receivership" status.

The new principal of LAFYM is **Dr. Djinga St. Louis**, a 23 year veteran of the Rochester City School District. Rounding out her administration team is High School Assistant Principal **Mr. Bryant Cromartie**, Charlotte High School Alum; High School Assistant Principal **Dr. Samantha Brody**, converted into a first year from an experienced Special Education Lead at LAFYM; **Mrs. Lawanda Brown**, 2nd year Assistant Principal, in charge of the middle school; and **Mr. Robert Thomas**, Athletic Director and lead for all of LAFYM health and sports.

The VISION of LAFYM is that *100% of our graduates will be college and/or career ready*. The MISSION is that *staff and administration focus on teaching the importance of discipline, respect and education through holding scholars to a higher standard*. LAFYM will provide a safe place for young men to strengthen the mind, body and soul by focusing on community, brotherhood, and accountability of self. This ideology has been communicated to staff, students and families in multiple manners and will drive change that will lead to improvements in attendance and academics.

LAFYM is in "Receivership status". Simply defined: For too many years, students have been unsuccessful in passing high stakes assessments. While this statement sounds bleak, leadership is taking the information provided by New York State Education Department and turning it in to goal setting for students, staff and families. With assistance from Central Office, the principal plans to provide clear direction so that the school can be removed from Receivership list within 2 years.

LAFYM is grateful for the support of the community and look forward to continued strength in the relationship that had begun years ago. LAFYM's doors are open to visitors, ideas and suggestions to become a beacon of academic success and grow service-minded young men.

Senator Joseph Robach

56th Senate District

Best wishes to everyone in the CCA!

Update: Molly Clifford, Northwest City Council Member

Four Fears Certainly Flew By!

It is hard for me to believe that this will be my last newsletter column as City Councilmember representing the Northwest District! Four years certainly flew by! It has been a tremendous honor for me to work on behalf of so many great people in Charlotte and the other NW neighborhoods, and I want to thank you for your friendship, input, and commitment to Charlotte and the city of Rochester. We are a better city because of you!

I have tried to be the kind of Councilmember I wanted to be represented by: Responsive, honest, attentive, and effective. I am proud of my involvement in the charrette process, the Lake Avenue banner project, and the Port development, in particular. I hope that I provided some good advice and information along the way. Please continue to hold your elected officials and their representatives accountable – they work for you!

As you may have heard, I will be moving to Philadelphia after the first of the year. This is not a statement about my love or hopes for Rochester (or lack thereof!). This is a personal decision I've made to be closer to my daughters as they embark on their own family lives as adults. The proximity of Philadelphia to Rochester (a mere 5 ½ hour drive!) is a plus for me in that I can stay in close touch with my wonderful friends and extended family members here.

I will maintain my current email and cell phone number (molly.clifford7@gmail.com and 585-233-3699) – please reach out and say hello from time to time and let me know all of the great things that are happening in Charlotte! And if you're in my new neighborhood....we'll get together for a cheesesteak! Thanks again and all the best to you and your families for a happy and healthy 2020.
