### CHARLOTTE - A GREAT PLACE TO LIVE - During the Pause

By RoseMary Shaw

**S**ome posts on social media would lead you to believe that our neighborhood is rough, crime ridden, and full of uncaring individuals.

That is not the case. I have been spending a lot of time recently on the sidewalks of Charlotte, taking my daily one hour of fresh air, particularly in the area north of Denise to the Beach.

Every person I have encountered along the way has carefully moved, along with me, to allow for social distancing, but still has had a smile, a hello, or a friendly word.

One day I witnessed a lady come out of her house in mask and gloves. She went to her neighbor's home, got the neighbor's mail, and then knocked on the door and waited for the older lady to answer. I would not be surprised if this has been a daily occurrence for some time, but it is good to know that even with the new guidelines for social distancing, it is still occurring.

Another day I noticed masks and gloves strewn all over streets, sidewalks, and grass. When I went back the next day equipped to start cleaning it up, it had already been done. Thank you, neighbors!

There is much to see if you take the time to slow down. Beautiful homes and buildings; there is a lovely alcove in front of Holy Cross for prayer. The Lighthouse, the beach, Robach Center, the depot. And of course, the river.

Today I walked from my home to the base of Pettin and picked up the Genesee River Trail. I found a small garden, freshly cleaned up for the summer, and on closer look, found out why it was there. Benches were being repaired by volunteers. A sign reminding us there is still hope that summer will come, and normalcy will return to this great neighborhood.

IN LOVING MEMORY OF  
MAUREEN COLLETTA  
Whose boundless energy,  
Gardening skills and enduring  
Smile made Charlotte a more  
beautiful place

## GREECE ECUMENICAL FOOD SHELF

**T**he Greece Ecumenical Food Shelf (GEFS) provides food to families and individuals in Greece and Charlotte, NY who are facing a temporary food emergency. Due to the ongoing Covid-19 pandemic, many households are feeling the effects of family members losing their jobs or experiencing cutbacks in hours. The GEFS wants to let the community know they are still operating. **People in need of food can call the hotline at 683-9674 Monday through Friday between 9 am and 3 pm.** All clients must be verified over the phone before receiving food through delivery or pickup.

The GEFS made changes to their operations to protect clients and volunteers. Verified clients can pick up food Tuesdays 10 AM to noon, Wednesdays 4 to 6 PM, and Saturdays 9 to 11 AM. When clients arrive at the Food Shelf, they should stay in their car until a volunteer comes out. Food is put in the car's trunk or set down next to the car for the client to load.

For clients without means to get to the Food Shelf, volunteer drivers make deliveries on Monday, Wednesday, and Friday. Drivers set the food at the door, ring the bell and step back at least 6 feet.

Clients who live in apartment buildings need to come to the entrance vestibule and take the food into their apartments.

The Food Shelf relies on food and monetary donations from the community for its support. Recently, food donations have declined substantially, as people stay at home during the Covid-19 crisis. The Food Shelf plans to hold a major food drive when the crisis ends.

**People in need of food can call the hotline at 683-9674 Monday through Friday between 9 am and 3 pm.**

Monetary donations allow GEFS to purchase food from Foodlink at a significant discount. Donations can be mailed to the Greece Ecumenical Food Shelf, 500 Maiden Lane, Rochester NY 14616.

Please follow GEFS on Facebook <https://www.facebook.com/greecefoodshelf>.

*The Greece Ecumenical Clothing Closet (GCC), located next door to the Food Shelf, is closed until further notice.*

## Donald Starver

### *Loved Rochester and Rochester Loved him back!*

Our community is filled with great, caring and professional people that are bright lights of hope. We are sad to hear that one of those lights in our community has dimmed. It is with great sadness that we learned of the passing of **Donald Starver**. Donald was best described by a friend as a “give you the shirt off his back type of guys” and he will be greatly missed.

Donald was a native of Pittsburgh, PA but made Rochester his home. He served as the City of Rochester’s Deputy Director of Communications

Donald Starver

and Special Events from 2014 to 2017. He was a founding member of *Rochester’s My Brother’s Keeper* and *Pillar of Hope* initiatives. He served as a mentor to young men of color in our city and he will greatly be missed.

The Charlotte Community Association send our condolences to his family and friends.

Donald will be greatly missed and our city is the better for the heart he put in our community.

## *A New Way for Seniors to Have Fun and Stay Engaged!*

Episcopal Senior Life Communities has launched a new way for seniors to stay active and social, even in the midst of the need to remain at home. Through ESLC’s Virtual Neighborhood Program, seniors may access many classes from their electronic devices with the use of Zoom technology. Classes include meditation, exercise, weekly talks on positive thinking, and several other special

topics. The virtual program has been a great success, allowing seniors to feel connected and energized, despite the challenges of remaining at home. The full schedule of classes offered, together with instructions on how to access the classes, are available on ESLC’s website at <https://episcopalseniorlife.org/neighborhood-programs/>

## 2020 CCA Scholarship Deadline June 30, 2020

**B**rian Labigan, CCA Scholarship Committee Chair, reminds everyone that the Charlotte Community Association (CCA) is proceeding with its scholarship program for two college bound students who are residents of the Charlotte community or attend the Leadership Academy for Young Men.

Brian contacted the Rochester City School District to resend the Scholarship information. They will make sure all Guidance Counselors receive it again. In addition, **Tom Brewer** is contacting all private school guidance offices. Despite the school closing and other COVID-19 restrictions, the committee will proceed as normal, with a deadline of June 30, 2020.

The CCA will award one \$2,000 award, which is made possible through community fundraising and membership donations.

Another award of \$2,000 is provided by a fund created in memory of *Edward Watson*, a Charlotte resident and former Charlotte High student.

*The requirements for both scholarships are as follows: To qualify for the Edward Watson Scholarship, the college bound senior must attend the Leadership Academy for Young Men (formerly Charlotte High School). To qualify for the CCA Scholarship, the college bound senior must reside in the Charlotte neighborhood and attend any school, public or private. All applications will be reviewed by the Scholarship Committee.*

For many years, the Charlotte Community Association has offered scholarships to students who qualify based on academics, community service, and extra-curricular activities. We are pleased to continue this tradition, as well as facilitate with the *Edward Watson Scholarship*.

Applications are available for both scholarships online at the CCA website ([charlottecca.org](http://charlottecca.org)).
