May / June, 2021

A Publication of the Charlotte Community Association - our 58<sup>th</sup> year serving Charlotte- A Community that Cares!

## Charlotte Community Association Mission and Vision Statements

**MISSION:** To build a stronger community and to enhance the lives of our residents by providing a forum for sharing information, connecting neighbors and stakeholders, and fostering civic engagement while preserving and promoting the heritage of the Village of Charlotte.

**VISION:** A safe, vibrant, and inviting place to live, work and visit; a family-friendly community and a year-round destination celebrated for its rich history and natural resources.

## Welcome to Charlotte - Music Theatre Education

**M**T Ed is thrilled to make its home in the historic Penny Arcade in Charlotte. Formerly housed at 75 Stutson St., the desire to grow our program offering indicated a need to have our own dedicated space. The space at 4785 Lake Ave. is a perfect home for MT Ed with its wide open spaces, a stage, and proximity to outdoor spaces.

Photo of August, 2020 Summer Camp provided by Music Theatre Education

**B**eginning the week following July 4th, students in **grades 2-8** can participate in 2 week camps in which they will rehearse and perform a musical. This summer the musicals will be: *Peter Pan, Jr.*, *Night at the Wax Museum*, *Mary Poppins, Jr.*, and *The Little Mermaid, Jr.*

**What makes our program different than other theatre camps in the area?** MT Ed's Artistic Director, **Tina Crandall-Gommel** is a Masters degree teacher with an undergraduate degree in theatre and dance. Her staff is made up of qualified educators who provide programming in a nurturing environment, tailored to the developmental needs of program participants and a focus on the whole child. Our campers experience daily outdoor time, like playing on the playground, sand time or yoga at the beach, or simply taking a walk. MT Ed has a

low program participation cap which allows for meaningful learning experience.

Summer at MT Ed also brings our **teen program**, which will be submitted for participation in the Rochester Fringe Festival. This year, our teens will rehearse and perform the regional premiere of *The Lightning Thief*, the Percy Jackson Musical. Our performances in past Fringe Festivals have earned us Critics Choice recognition and high praise in the media. We also have a program for our **Tiny Talents, ages 4-6**. This summer, our smallest performers will participate in a one week, half day camp exploring theatre, and dance with a

Photo of the Prince and the Frog provided by Music Theatre Education

song through the story of *Snow White and the Seven Dwarfs*.

**For teens** that are not necessarily interested in performing, MT Ed offers an **internship program where students in 8-12**

(MT Ed continued on page 2)

## CCA Youth Engagement Committee - "Express Yourself!" ~by Barb Lake, Board Liaison

**A**re you tired of confinement? Get moving and learn more about the CCA Youth Engagement Committee!

Here's just a few of the activities we have to offer families:

- ✿ Project S.O.W. Food Gardening with Justice in Mind is a project for teens that introduces them to gardening, with additional foundations in justice and leadership. Young people can expect to learn, lead, collaborate with others, and explore the power of their own voice and a sense of agency as a part of what it means to grow food as a skill for personal and for community empowerment.
- ✿ Food from the garden to the table and pantry is a introduction to what to do with an overabundance of harvested items. Learn how to dry herbs, infuse vinegars, make jam, water bath canning and more
- Food drive partnerships and collaborations
- ✿ Civic Engagement, with connections to local government. Learn to navigate the channels of local government. Learn who the local leaders are and why local government matters, how

technology is used to serve citizens, understand how your voice matters and discover how and where you can make a difference. Yversha M. Roman, Monroe County Legislator for the 26th District, has interactive activities to engage youth and is a member of our youth committee.

- ✿ Theatre – MT Ed, our new youth program partner and CCA Platinum Sponsor, offers performance opportunities for students in 1st -12th grade (see page 1). Check out their Facebook page or website [www.musicaltheatreeducation.com](http://www.musicaltheatreeducation.com)!
- ✿ Participate in 4-H community projects that improve your neighborhood Learn by doing!
  - ◆ Align with others who share your passions or can help you learn new things, find your niche
  - ◆ Public Presentations – help from research to presenting; learn how to find a mentor that aligns with your goals
  - ◆ There's more to discover...join us!

Attend monthly meetings and suggest workshops that identify with your goals; contact Barbara Lake at [lakebarbara@yahoo.com](mailto:lakebarbara@yahoo.com) to learn more.

*(MT ED continued from page 1)*

**grade** can learn about all aspects of theatre that do not involve performing, such as directing, choreography, vocal direction, stage management, stage crew, costuming, scenic design, lighting, sound, and prop fabrication. Our interns get to spend time working side by side with our professionals learning about their chosen field of interest.

Our internship program is busiest in the summer, however interns can work with us any time of the year. We have many opportunities for performers and interns throughout the year. MT Ed offers a full production season of musicals and plays, community theatre productions, an improv troupe, show choir, dance and acting classes for our Tiny Talents, a full dance studio, as well as private lessons in voice, acting and dance.

We are excited to become involved in the CCA and look forward to inviting families to join us. For further information regarding our programs and registration visit our website at [musicaltheatreeducation.com](http://musicaltheatreeducation.com)

## Charlotte Community Association (CCA) Youth Engagement - Why 4-H?

~by Barb Lake, Board Liaison

The CCA offers and/or partners with 4-H programming. Why 4-H? This nationally recognized program, America's largest youth development organization, features positive youth development and mentoring programs to empower over six million youth across the United States. 4-H believes in the "power of young people" and Monroe County has a multitude of benefits for youth age five and up! From skill building, educational showcases,

special interest clubs to improve the world around you, nutrition and wellness, scholarships, career exploration and statewide opportunities! Parents get involved and embrace "Learning by Doing" while making memories with your kids and their friends. Email: [lakebarbara@yahoo.com](mailto:lakebarbara@yahoo.com) for more information.

## Remembering Bob Stevenson and Mike Parker

by Marie Poinan

Charlotte lost two giants in March. Both Bob and Mike were tireless workers who promoted the area and encouraged others to join in the celebration of their neighborhood.

### Bob Stevenson

Bob Stevenson served as the Northwest District City Councilman from 1987 to 2007. Before that, he enjoyed a 30-year career as a science teacher, which included a stint as a physics teacher at Charlotte High School. Bob was without a doubt the "Energizer Bunny" of the Northwest, attending numerous meetings throughout his district and participating in countless community events. He supported the NET offices as they transitioned into Neighborhood Service Centers. He championed the Genesee River through his support of the LWRP (Local Waterfront Revitalization Project) along with Bill Davis from the Charlotte-Genesee Lighthouse. Both were instrumental in promoting the Riverway Trail throughout the city and north through Charlotte, from Turning Point Park to the Bill Davis Overlook and the Lighthouse Trail. During his

time on City Council, Bob saw the repaving of Lake Avenue, the renovation of the Terminal Building and Robach Community Center

Bob and his wife Mary lived on Albemarle Street and were active in Pac-Tac and the Maplewood Neighborhood Association. What I remember most was that Bob served as an annual volunteer tour guide of the Maplewood Gorge during River Romance. It was sad that Mary had passed by the time he and Mary were honored in 2016 with a plaque in Maplewood to commemorate their years of tireless devotion to the area.

*Bob loved Rochester.*

*He always did his best to promote the city that he loved.*

*Bob, you will be missed!*

(Remembering Mike Parker continued on page 7)

Bob at Public Market by Jim Farr

## Kite Flight returns to the Shores of Lake Ontario, May 16

~ Fred Amato, Secretary OBPPC

The annual Kite Flight, returns to Ontario Beach Park on **Sunday, May 16th from 12 pm till 4 pm.** The event, presented by the Ontario Beach Park Program Committee, the City of Rochester, and Monroe County will again feature demos by expert kite flyers, strolling jugglers and other street performers, kite making and craft workshops, and kids activities hosted by the City's award-winning, "**Rec on the Move**" staff. Refreshments will also be available by the expert chefs from the **Charlotte Neighborhood Association** as a fundraiser for this the oldest of City neighborhood associations. Committee Chair Jim Far stated, "We are delighted that we can begin to bring back family favorites, such as the

kite flying. We have modified the event to meet State and County COVID-19 guidelines, but still provide a great way for families to get out and recreate in our region's bountiful parks and greenspaces."

*Masks and social distancing will be required by all attendees and numerous sanitizing stations will be available. The Schedule of events and listing of entertainers will be posted soon. Check back for updates on all this summer's events in the beach and port area.*

If you have specific questions about the event or ideas for activities to add to the schedule contact the committee at 585-865-3320.

## New efforts with Youth are "Sprouting!" in Charlotte ~By Barb Lake, Board Liaison

The Leadership Academy, in partnership with the CCA has developed a School Garden Project under the direction of the Monroe County 4-H program. **Vaughn Collins**, the Leadership Site Coordinator said, "When **Barbara Lake** shared this wonderful prospect with me of a community garden one morning in March, I couldn't refuse." This opportunity for our Leadership students offered new life experiences that some of our students would be interested in.

"In my role as the Community School Site Coordinator at Leadership Academy and the conduit between the school and the Charlotte Community, I knew that this would be another occasion to continue to develop this relationship."

He immediately mentioned the staff member who has a relationship with the majority of the students, **Eric Meister**, or "**Sgt. Meister**", as he is affectionately called

is the JROTC teacher here at Leadership Academy. After sharing the vision of Youth Engagement, with Meister, he immediately took ownership of the project, stating:

"These students are driven by purpose, direction and motivation. This is another 'leadership opportunity' for our young men. I can't wait to see all they can do! I appreciate the partnership with CCA and 4H."

This program along with the JROTC program will enhance learning of attributes such as discipline, teamwork, responsibility, and science.

"Our plan is to grow enough produce and intend to donate some of its harvest to the less fortunate in our community" Vaughn said. "Whatever way we introduce one of the 4 Pillars of a Community School, help in the creation of a healthier and more equitable resilient school community, I am all in."

## Health & Wellness Program for Seniors

**E**piscopal SeniorLife Communities has expanded its Northeast Greece Neighborhood Program — a health and wellness initiative for seniors — to include individual wellness coaching and support. The program is typically offered at Beatrice Place, located at 600 Denise Road in Northeast Greece, and is being offered virtually through Zoom technology with the gradual addition of in-person classes **beginning in May**. Assistance is available for those who are not familiar with Zoom. Classes include meditation, exercise, weekly talks on positive thinking, plus educational programs such as

computer courses, creative writing and book discussions. A complete schedule of activities is available at [www.EpiscopalSeniorLife.org/neighborhood-programs](http://www.EpiscopalSeniorLife.org/neighborhood-programs).

**Spring Special!** If you join the Northeast Greece Neighborhood Program during the month of May, you will receive one free month of an annual membership.

Consider taking part in this exciting program — space is limited! To register or for more information, contact Becky Hurysz at [rhurysz@EpiscopalSeniorLife.org](mailto:rhurysz@EpiscopalSeniorLife.org) or 585.546.8439 x4412.

## **Joseph D. Morelle - U.S. Representative for New York**

**W**e made a promise to Americans that we would take swift, decisive action to provide the support families and workers need to get through the COVID-19 crisis—and I'm proud that with the passage of the American Rescue Plan, we've delivered on that promise.

This comprehensive, \$1.9 trillion package will have real, meaningful effects for our community. It marks a massive step forward in our efforts to defeat this pandemic, revitalize neighborhoods across the country, and fuel a future of sustained economic growth.

I've always prioritized the needs of working families, which is why I'm particularly pleased that this legislation makes bold investments to ease the burden on parents. By expanding the Child Tax Credit to \$3,000 per child (or \$3,600 for those under 6) and providing the option of monthly payments, we are taking critical steps to provide peace of mind and financial security for families as they navigate this difficult time.

The legislation also strengthens unemployment

benefits for those who are still forced out of work; it provides additional resources for small businesses that are the heartbeat of our local economy and need our support to stay afloat; it includes direct payments to individuals to help make ends meet; and it takes steps to bolster swift, accessible, and equitable vaccine distribution so that we can get everyone vaccinated as soon as possible.

This has been a difficult year for all of us. But these efforts will go a long way towards providing the support and relief families need—and, hopefully, help speed up a return to normalcy. If you have questions about the American Rescue Plan, or need any assistance to access its benefits, please don't hesitate to reach out to my office.

All the best,

Congressman Joe Morelle

## **Jose Peo - NE City Councilman ~ Illegal Dirt Bikes and ATVs**

**Y**ear after year the quality of life for residents in the City of Rochester has decreased incredibly due in large part to the illegal dirt bikes and ATVs on our streets. In the past few days, we have had two deaths, several accidents and a pedestrian nearly ran over by simply walking down the sidewalk.

We all know the danger being caused by the illegal dirt bikes and ATVs; simply educating the public will not be enough to curve the temptation of using them on our city streets, in public parks, trails and on sidewalks.

We must follow the lead of Buffalo Common Council and Albany City Council in curbing the use of these illegal vehicles in the City. Numerous complaints from residents and business owners are demanding action to be taken. Buffalo and Albany have taken a lead in reducing the use of illegal dirt bikes and ATVs. With that background, I am requesting City Council to consider the following legislation:

1. Prepare legislation that would impose and/or increase the fines for confiscated ATV's, dirt bikes and any type recreational vehicle that are known to be driven illegally on our city streets. In Albany they are fined \$650, as well as impose a \$2350 redemption fee to get them out of the impound. \$3000 is indeed a hefty price to pay,

and should deter people from even thinking of riding one of these illegal machines on our streets.

2. Give Rochester Police Department the tools necessary to move forward enforcing the laws currently in City Code, and allow RPD to re-image their "no pursuit" policy. This could be done by either utilizing drone technology, or have a portal for neighbors to submit information on addresses of where these illegal vehicles are being stored. This would eliminate the worry of high speed chases turning deadly.
3. Corporate Council can review the above to send back to council the current codes and make suggestions of additional language to be discussed by council.

I ask that if you support this proposed legislation to voice your support to Speak to Council. The next two Speak to Councils are May 11th and June 15th. You can Speak to Council by e-mailing your concerns directly to [Council@Cityofrochester.gov](mailto:Council@Cityofrochester.gov) or by phone to City Council's Office at 585-428-6175. Be sure to leave your contact information and ask that your comment be presented at the Speak to Council session.

(Remembering continued from page 3)

## Mike Parker

**M**ike Parker served as President of the CCA from 2010 through 2014. He and the board sponsored many projects, the most notable being the renovation of the Charlotte Village Cemetery. A yearly project during "Clean Sweep," the CCA got volunteers to clear debris and cut down brush. The CCA also sponsored the extensive tombstone restoration by the Seabees and raised the needed funding by sponsoring a HarborTown Belle cruise that raised over \$1,500.00. As a result of the 3-year project, the Seabees were honored by having a sign dedicated to them on a section of the Lake Ontario State Parkway (LOSP) and the City of Rochester erected a nautical flagpole in the cemetery in exchange for the countless volunteer hours.

Mike loved talking about nature and the Genesee River. During October River Romance, Mike led a guided tour of

Turning Point Park. His last tour was held in 2019 when he hosted a tour of the Charlotte Village Cemetery. In 2019, **Councilwoman Molly Clifford, Senator Joe Robach and OBPPC chairman Jim Farr** presented Mike with an award for his many years of service.

As President, Mike oversaw the volunteers at Kite Flight, Clean Sweep and events at the terminal building. Mike also volunteered with the Ontario Beach Park Program Committee, participating in events long after he left office. He was a fixture at every Harborfest and Lakeside Winter Celebration whether he was walking Pac-Tac or dressing as a polar bear for the Polar Plunge. He and his German Shepherd companion, Dyllon, could be seen walking miles each day to spot issues in his beloved Charlotte neighborhood.

*Michael was passionate about the environment, animal welfare, civic causes and volunteering in the Charlotte. Mike, you will be missed.*

## What is PCIC? \*

**T**he Police Citizen Interaction Committee (PCIC) are monthly meetings, or in the case of the Rochester Police Chief's PCIC, bi-monthly meetings. Each Section's police Captain convenes the meetings, attended by Section staff and representatives from various neighborhoods groups within the Section. Topics of discussion may include crime patterns, quality of life issues, environmental concerns, problem locations and crime statistics. Meetings are intended to be interactive, where everyone is encouraged to participate in an open dialogue.

### Lt. Waldo leads the NW PCIC for Lake Section.

This group meets monthly the **third Tuesday of each month at 7 pm** to discuss crime activities in the NW.

The NW is basically RPD's Lake Section.

The meetings are via Zoom until further notice and you can email Lt. Waldo at [Richard.Waldo@cityofrochester.gov](mailto:Richard.Waldo@cityofrochester.gov) for an invitation. Pre-pandemic, they were held at Aquinas Institute, 1127 Dewey Avenue, Rochester, NY 14613 on every third Tuesday of each month at 7:00 PM.

\* <https://www.cityofrochester.gov/PCIC/> for more information.

*"A Community That Cares"*

### 2021 Scholarship Announcement

It's that time of year again as college bound seniors start their search for financial aid.

This year the **Charlotte Community Association (CCA)** is pleased to announce that again, two scholarships will be awarded to college bound students who are residents of the Charlotte community or attend the Leadership Academy for Young Men.

The **CCA** will award one \$2,000 award which is made possible through community fundraising and membership donations.

Another award of \$2,000 is provided by a fund created in memory of **Edward Watson**, a Charlotte resident and former Charlotte High student.

The requirements for both scholarships are as follows: To qualify for the **Edward Watson Scholarship** the college bound senior must attend the Leadership Academy for Young Men (formerly Charlotte High School). To qualify for the **CCA Scholarship** the college bound senior must reside in the Charlotte neighborhood and attend any school, public or private. All applications will be reviewed by the Scholarship Committee

For many years the **Charlotte Community Association** has offered scholarships to students who qualify based on academics, community service and extra-curricular activities. We are pleased to continue this tradition as well as help facilitate with the **Edward Watson Scholarship**.

*A joint application will be available for both scholarships at the Charlotte Branch Library and online at the CCA website ([charlottecca.org](http://charlottecca.org)).*
