### Future of the Charlotte Community Association

**T**he CCA turns 60 next year, but its future is uncertain. New leadership is urgently needed!

Established in 1963, the CCA will celebrate 60 years in existence next year in 2023. But without volunteers to keep it going, the organization's future is uncertain at best, and at worst, may need to close its operations. Developing a succession plan for 2023 and beyond is a **top priority** at this time!

If you love Charlotte and want to support its continued growth and wellbeing, now is the time to step up and volunteer. There are several different ways you can get involved.

Per the Bylaws, the CCA operates with a Board of Directors that should consist of no less than 7 and no more than 11 individuals who are at least 18 years old. The Board is elected by the membership and is to be led by five officers—President, Vice President, Secretary, Treasurer, and Communications Officer. The Board meets monthly and also hosts a monthly General Meeting as a forum for the community.

Elections are held each year in the Fall. Nominations for the Board are due in September, the candidate slate is announced in October, and the elections are held in November. Each board member serves a two-year term, from January to December. Terms are staggered so that half of the board seats are elected one year, and the other half elected the next year.

Currently, there are seven board members

serving: President Sue Roethel, Vice President Lindy Litwak, Secretary Patti O'Brien, Treasurer RoseMary Shaw, and three Directors—Tony Micciche, Jonathan Hardin, and Tom Bruce. The Communications Officer seat and three Director seats are vacant, and they can be

appointed at any time outside of the annual election cycle. This Fall, the following seats are open for election: President, Secretary, and three Directors. Sue Roethel has announced that she will not seek re-election and in fact will step down from the board when her current terms ends in December 2022, after serving eight years.

**"New leadership on the Board of Directors is imperative to keep the CCA alive. The call to join is urgent!"**

**New leadership on the Board of Directors is imperative to keep the CCA alive. The call to join is urgent!** Anyone interested in serving on the board should contact **RoseMary Shaw** at [infocharlottecca@gmail.com](mailto:infocharlottecca@gmail.com).

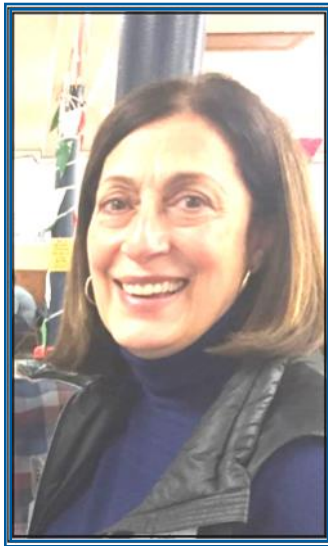

There are many other ways to get involved, if you can't make the commitment to becoming a board member. **You can join any of 12 committees**—Beautification; Business Alliance; Communications; Community Development; Fundraising; Governance; Membership; Nominating; Programming; Safety & Security; Scholarship; and Youth Engagement—or **you can volunteer as needed** for specific events. You can always engage simply by attending the monthly CCA General Meetings (see <https://charlottecca.org> for schedule). Please contact [infocharlottecca@gmail.com](mailto:infocharlottecca@gmail.com) to express your interests.

## Volunteer Spotlight ~ Lorie Barnum

**L**orie Barnum is one of CCA's hardest-working volunteers. She has served on the Community Development Committee for several years and has been instrumental in helping CCA secure government funding to support much-needed improvements in Charlotte.

Working closely with the offices of **NYS Senator Jeremy Cooney, NYS Assemblywoman Sarah Clark, Monroe County Executive Adam Bello, Monroe County Parks Commissioner Patrick Meredith, and City of Rochester Mayor Malik Evans, and Western New York Landmark Society**, Lorie has helped those offices facilitate the procurement of grant funds by representing what the Charlotte community wants for development in the neighborhood. Specifically, Lorie's input has helped secure funding to refurbish the Roger Robach Community Center with windows and doors, HVAC systems, and new accessible bathrooms; and

Lorie Barnum

lighting in Ontario Beach Park. She is currently working with the municipalities to fund replacements of wayfinding and historical informational signage at the Bill Davis Overlook at Stutson and River Streets, and on the community's vision plan for an ice skating rink in Ontario Beach Park.

Lorie's expert knowledge of preserving historical spaces and securing funding comes from her years as Executive Director Emeritus of the Susan B. Anthony National Museum and House; former Director of Cultural Affairs for the City of Rochester; and Irondequoit Town Board member. She is a member of the CCA and has volunteered her time and expertise to the CCA's Community Development Committee since her involvement with the Port of Rochester charrette in 2017. Her expertise and personal connections have been critical and essential in moving forward the future vision of Charlotte.

## Closure of Leadership Academy & a New High School to Open

*Submitted by Jonathan W. Hardin*

On June 23, 2022 Leadership Academy for Young Men (LAFYM) closed. For the past several years CCA has been working with the **JROTC Program** and most recently our **Youth Engagement Committee (YEC)** has been working in the school. **Barbara Lake**, Chairperson of the YEC, has been teaching life skills classes to senior students and creating a community garden with about 100 students joining the gardening club. It is our understanding that if students want to return to the new school they will be allowed, and anticipate most of the JROTC Program to return to the new school.

The Northeast College Preparatory High School is moving to Charlotte and will be renamed the **Northwest College Preparatory High School**. The new school should have double the students, and the JROTC Program will go co-ed, which is projected to double the participation in the JROTC Program and could double the request of support. CCA pre-Covid19 fundraised about \$1,000.00 per year for the program.

CCA, our elected officials, residents, teachers, and staff tried to keep LAFYM open, but it wasn't enough. The **Board Liaison to the YEC is Jonathan Hardin**, he has been in talks with members of the **Rochester City School Board**

(RCSB), and they agreed to continue the JROTC Program at the new school. RCSB members have also agreed to host a round table with the new administration to introduce them to Jonathan and Barbara, so their work can continue.

Jonathan and Barbara both held positions on the LAFYM Community Engagement Team. It is imperative, and we are committed, to continue the community involvement work with the youth in what is next for the high school in Charlotte. CCA will be inviting the new administration to a future CCA meeting to discuss the school size, their needs for the community and ways we can strengthen our relationships.

For the past several years we have worked with some amazing kids, families and staff from LAFYM and we look forward to working with the new high school.

We will continue to keep you updated.

## Clean Sweep 2022

**Was a success!**

We had about 100 volunteers working in three locations in Charlotte.

A special thank you to the **Greece Athena High School Baseball Team**, **Leadership Academy for Young Men's JROTC Program** and **Rochester Early College International High School's JROTC Program** for your community services.

**Great Job and we look forward to working together next year!**

## Suzanne Kroll 1951-2022

**W**ith fond memories we bid farewell to long time CCA member Suzanne Kroll. For many years Sue has been a tireless worker for this organization as well as Ontario Beach Park Program Committee. Whenever

volunteers were needed, she was always the first to respond. Even after becoming ill, she did her best to help wherever she could. And always with a smiling face. She was quick to reach out to new residents with welcome and make them feel at home.

A great asset to the community, in 2018 Sue was awarded Volunteer of the Year by the Charlotte Community Association.

*She will be missed.*

*Abundant Grace continues*

We have changed our monthly schedule for **Carolyn's Cupboard Food Pantry**. Since Covid the numbers have diminished so we decided to go down to once a month instead twice. So we are **only open every 4th Friday of each month**. We will be doing a community mailing soon to inform people we are open and if numbers pick back up we will go back to two Fridays a month.

On August 20th we will be having a **Back to School Party** with **games** and **food for the community**.

In addition to the party we will be distributing **backpacks** for the community youth.

The party will begin at **1:00-4:00 PM**.  
First come first served for the backpacks.

## Abundant Grace Church *A Birthday, a Change and an Invitation*

**A**bundant Grace church had the privilege to celebrate the **100th birthday** of one of our members. **Eloise Anderson** (Leonard Banks Aunt) turned 100 years old on June 6th and we had a party for Eloise on the 11th. Family members came from out of town to be part of this celebration. Eloise is just as sharp in her mind and body as she can be. As most people say "she is truly blessed and amazing".

**Joseph D. Morelle -**  
U.S. Representative for New York

**T**oo many families across America know the pain of receiving a cancer diagnosis, including my own. My daughter, Lauren, battled breast cancer for two years with incredible courage, sharing her story and underscoring the importance of early detection.

We know that early detection is key to fighting this devastating disease, but unfortunately, too many women lack access to screening services that could help save their lives. This has been further compounded by the impacts of the COVID-19 pandemic, which have caused breast cancer screenings to decline by over 80%. It is estimated that delays in care and screening are expected to result in over 2,500 breast cancer deaths by 2030.

Those statistics are heartbreaking—and they're preventable. That's why I've introduced bipartisan legislation to bolster screening services for breast cancer and cervical cancer, making it easier for vulnerable populations to get the preemptive care they need.

My legislation, the *Screening for Communities to Receive Early and Equitable Needed Services (SCREENS)* for

*Cancer Act*, would reauthorize the National Breast and Cervical Cancer Early Detection Program (NBCCEDP) through 2027, making screening services more accessible to more people—so fewer families will suffer the loss of a loved one.

At current funding levels, NBCCEDP serves only 15% of the estimated number of eligible women for breast cancer services. *The SCREENS for Cancer Act* would provide greater funding authorizations for this critical program to strengthen outreach and accessibility, helping connect more women with screening services to detect cancer before it's too late.

I'm proud to carry on Lauren's legacy by helping all women access the critical early detection services they need, regardless of their income. I look forward to working alongside my colleagues to advance this important legislation, and I encourage everyone to remain vigilant about their health. You can find a cancer screening program near you by visiting: [www.cdc.gov/cancer/nbccedp/screenings](http://www.cdc.gov/cancer/nbccedp/screenings).

**Jose Peo - NW City Councilman**

**H**ope everyone had a great time at the first Harborfest in over a decade. I have been receiving feedback from residents and would love your input for the for the next Harborfest.

**Congratulations to Ontario Beach Park Planning Committee** on a successful Harborfest. Let all of our organizations to work together to make next year even bigger and more successful. Please do not hesitate to contact my office to assist you.

I'm currently working with the County and State to possibly put in handicap accessibility to the beach and water. My office has also heard your concerns regarding the lack of handicap parking near the Roger Robach Community Center. Furthermore, I'm requesting the City Department of Environmental Services to make upgrades to the crosswalk on Beach Avenue, again in front of the Roger Robach Community Center.

The Roger Robach Community Center is the Crown Jewel of Ontario Beach Park, and I will continue to

meet with County and State leaders for the much-needed upgrades to the roof, bathroom, windows, doors, and concession stands on the north side of the building. I applaud work being done by CCA's Community Development Committee and I will continue to support your efforts.

I have regular meetings with RPD, the Sheriffs department and NYS Troopers about increased patrols and speed traps along Lake Avenue. They have increased their patrols along Lake Avenue and in Ontario Beach Park. This type of relationship building is imperative to keep our community safe and our parks a destination for families.

Finally, after years of raising concerns about the drug house on Kemphurst St. it was busted by RPD and SWAT. A large amount of harmful drugs were removed, arrest were made and the house was given 10 nuisance points. Unfortunately, after the house was boarded up by RPD, the occupants of the apartments broke back into the house. RPD is aware of this and ask that you continue to call 911 when you see open drug sales and concerning activities.
